RCM Report

Hello ASC,

I am honored to be elected in this position of service. I commit to always doing my best to represent our area at Region! I will also do my best to bring the Regional happenings back to the group. A great deal of events and committee meetings happen in Las Vegas. While Las Vegas is close, for most of us, it's still a long drive to attend a casual event or committee meeting. I will include all opportunities and events in my report, however, I will lead with business topics and large events.

First I want to highlight some kudos NASU received. Out of all 5 areas in Region 51, NASU had the highest turnout at the CAR Workshop held by Melanie, our region deleget. Just take a moment right now and imagine a room of our regional servants clapping and cheering for us because we rock. Yes, I am exaggerating a little bit if you were wondering.

Region 51 of Narcotics Anonymous includes southern Nevada, northwestern Arizona, a sliver of southeastern California, and southwestern Utah. The mission of Region 51 is consistent with NA's primary purpose as expressed in our 5th Tradition: to carry the message of recovery to the addict who still suffers.

Our vision is that through the NA program, any addict can stop using drugs (including alcohol), lose the desire to use, and find a new way to live. We carry out our mission and vision through a variety of services, including:

We have meetings in these cities.

- Regularly scheduled and easily accessible meetings within Region 51
- A 24-hour phone line
- Meetings brought to facilities where residents cannot access community meetings, through our Hospitals and Institutions subcommittee
