## CoChair [Leslie H]

### Co-Chair Report

Hello ASC...

Wow!! Let me tell you this month has been one of awareness. Let me start out by saying that I am grateful for the opportunity to be of service, and the spiritual principle of honesty. I was made aware that I had not paid the renewal of our business license before the due date. I had made the decision to not renew the license in hopes that a new treasurer would step into place, and we would be able to change the principals on the account at that time. Well my friends, that did not happen. Of course during that time frame, the due date came and went. With much regret, our previous treasurer contacted me about my mistake. At my dismay, I hurried to get this transaction taken care of immediately. Again, I was taken back with discouragement. Why you ask? Well, I had misplaced the debit card that was given to me months ago. I decided to place this card in a safe place. Where is this place you ask? I have no idea. I have searched high and low, and it is nowhere to be found. I believe it is still somewhere in my safe place, or it may have found itself a new home in my paper shredder, where most of my mail ends up. The world may never know. I have never activated the card. I contacted our previous treasurer to let them know the card needed to be cancelled because it is lost. Back to the payment, I went in and made the payment of \$20.00 to renew our license. It consisted of a \$10.00 late fee. I paid for this out of my personal account. I will be asking for reimbursement in new business. I was able to get the check from our RCM - Rick from region for the \$1500.00 and made that deposit with our area donation department. I also received \$175.00 from area entertainment for money collected from the raffle during the event on New Year's Eve. I also knew that our storage payment was due. I contacted Bella Vista Storage, they gave me a price of \$292.50 this pays us all the way until August 31, 2017. They also told me this was going to be the last time they will be giving us the discount of the 2 weeks free, they will no longer be doing this special. I did not get to any of the committee meetings this past month. However, I do plan on attending to as many as I can from this point forward. Please make sure those dates are listed on your reports so that the GSR's and the web servant can get those meetings on our calendar. I think I have

given you all enough of a report, I do apologize for losing the card. Nothing took place on our account everything is in order and accounted for. I was able to reimburse Scott for meeting lists as well and pay the Verizon bill for the month of February. Below is a list of items and transactions that took place since our last meeting.

## Secretary [ Christine]

Hello everybody! The minutes went out and so far no mistakes have been pointed out to me. I do need to let everyone know that I have been communicating with Mona and anyone who has a key card for the southwest center, specifically Jen Jones, Tysen Johnson, Jerry Campbell, Wade Ray. Everyone needs to report to mona at the swc no later than Feb 28th. If you are still a group leader needing a key card you can re sign the agreement. If you are no longer in a position to need a key card you must turn it in. Any new group leaders may get a card if you hold your business meetings here. The new chair will also need to sign the room agreement. I would also like to say thank you very much for nominating me for the secretary position . I appreciate your trust and it has been an honor serving the area body.

Christine

## **Entertainment [Dale B.]**

Good evening everybody,

Area entertainment has no new business to report this month.

I do want to apologize for not getting money raised for area back to the treasure within 72 hours. The money I am talking about was raised from the literature raffle on New Year's. I know now, thank you treasure.

I'd like to thank everybody for letting me be of service this term. I have documentation of everything that was done this year in the binder, all the readings and the key to the storage unit.

## **H&I [Wade R ]**

The H&I business meeting went well. Youth DT was filled by Josh b. We have 2 panel leader positions that have been tabled (purg women's and falcon), both pending until next month until the woman interested have some more experience with the particular facility.

I was diagnosed with breast cancer and believe I can still fill the commitment for chair of H&I

Thank you for allowing me to serve,

Jessica W

## **Outreach [Jen J.]**

Verbal report given, no hard copy turned in.

## **PR [Jerry C ].**

I attended the Regional PR meeting again last month. They would like to coordinate with the new committee and host a Southern Utah Learning Day. The learning day will consist of proper language being used when presenting Narcotics Anonymous to a facility and the public. Region 51 also incorporated Southern Utah into their budget again this year. Meaning they are willing to help us out financially again. I told them that the new PR chair will be nominated this month and it would need to be voted on with the new committee. However, Region51 will continue to supply Southern Utah with IP's, booklets, and racks as needed. This alone is huge savings for our area. Region51 PR committee was supposed to meet with our PR committee today in order to go over this, but they needed to cancel.

The Hurricane meeting has changed from 8:00 PM to 7:00 PM February 5<sup>th</sup>.

The updated meeting list has been sent to the ASC Web Coordinator.

February meeting lists will be sent to Richfield, Kanab and Mesquite after ASC

600 February have been printed for a total of \$109.81

January lists were distributed to the GSR's who attended the January ASC.

Dave J. and Steve C. distributed January meeting lists throughout the community.

The web servant deleted all outdated flyers from the web site and attached a new flyer regarding the next SUACNA fundraiser. The phone line received seven calls this month. The calls consisted of individuals seeking meetings. Unfortunately, I also need to report that our phone was lost or stolen. The member receiving phone calls this month strongly believes that the phone was stolen from their car. Accidents happen and for now the old phone has been turned on.

676 IP's are being given to Cedar City tonight and 20 Introduction to Narcotics Anonymous booklets. The PR committee will be going into Hurricane again this month and plaster the town with literature and posters. During this time, we will also restock the museum. The new literature inventory is attached to this report as well as the budget.

Hello Area,

We are doing the deal for our convention. We have a current balance of \$4,609.55 with expense of 117 for speaker gifts and 60 for rental for our next event. This is going to be SATURDAY FEB 25 from 4 to 7 pm at the Alano club. We will be having speakers, raffle items and the Home group chili cook off with the winning home group getting a basic reg. to do with what they will. We will also be accepting donations to help newcomers that are unable to afford the event. We are excited to announce that we have filled two more positions.
