Hello nasu family as you can tell I am not available for area this month as I am out of town at a family reunion.

I want to thank crystal for stepping up and running the meeting.

I received more info from crystal about the SW center and being self supporting ... I will let her fill you in on that ...

From questions and concerns in my home group on motions I hope we can get whatever information or kinks out to figure out what we need to to move in what ever directions the groups decide..

Please remember to out clear information on the motions and enough of it for groups to have.

Thank you for allowing me to be of service

See you all next month

Tysen J.

Co Chair Crystal

.I have been in contact with the southwest center regarding the 7th tradition, they would like us to clean out the garbage cans used for recycling in the foyer and meeting rooms that we have access to. I have the detail on this and would like to do this next month before or after this meeting. That is all I have for now.

Thank you,
Crystal

Secretary Staci B

No Report but thank you so much Carolyn!

Treasurer Steve

Hello all~

As you all know Christine R is no longer Treasurer and so as Alt- treasurer this report is coming from my desk this month. Everything has gone well and Christine has been very helpful in getting me familiar with this position and I have been doing the data entry now for a couple months. She is still available for messaging with me which has been great if I've had questions. I personally would like to thank her very much for her many great services to our Area while she was here with us. Her help has been invaluable and has been hugely appreciated.

I feel everything has transitioned well and that the general ledger is current this month. Since Christine R. has resigned as treasurer I have had a verbal from her on 7/11/2018 that she has destroyed her debit card. It is also my understanding that her name will now need to be removed from the accounts and replaced by the new Treasurer once that position is confirmed. Christine R. will need to, and be able to, help make those changes from a Las Vegas branch once there is a hard copy of the Area minutes (or similar official document) outlining the change decision made by the ASC regarding the change in Primary signer(s) on the account. In the interim it is possible (if the ASC would like,) to change the password on the accounts in order to limit access to the accounts pending those changes being made official. Since I personally currently don't know which individuals or which arm of the ASC would make those decisions, or if the decision requires an official motion, I am leaving that as a general commentary from the Alt-Treasurer here in this month's Area minutes. Also please note that as the acting Alt-Treasurer I have changed the recovery phone and email address associated with the NASU Google Drive account where the treasurer's spreadsheets are stored from

Christine R.'s to my personal phone and email address as an added security measure pending election of the next new Treasurer.

The GL transactions page for the month is shown below:

Date	Description	Income	Check#	Expense	Balance
	Previous Balance				\$11,765.43
6/18/2018	Area deposits	\$212.95			
6/18/2021	PR phone		web	\$31.28	
6/28/2018	Thurs mtg paymt. Alano		1132	\$28.00	
6/30/2018	Bank int.	\$0.48			
				Previous Balance	\$11,765.43
				Income	\$212.95
				Sub Totals	\$11,978.38
				Expenses	\$59.28
				Current Balance	\$11,919.10

Moving forward: I have currently been creating the subcommittee spreadsheets which will eventually reflect their approved budgets for this year but they are not yet completed on the Drive. I have had some issues with clarity regarding activities on these spreadsheets which I will be addressing in greater detail this evening in Open Forum. Hopefully as a result of tonight discussions those spreadsheets will be current by August's ASM so that they are all correct. Please also note I am currently in possession of the PO box and storage locker keys and the monthly mail has been picked up and was delivered to the area secretary this evening prior to this meeting.

Just wanting to add that I am very grateful of this opportunity to be of service. Thank you everyone, it's a privilege for me. Thank you all. Steve C.

RCM Jerry C

Good evening everyone

The regional service committee meeting is tomorrow so there is not much to report. I attended the post conference GSR assembly last Saturday. There was five us from Southern Utah. This assembly consisted of going over the results from the CAR. There is a power point our RD created to show the results that I attached to this report for any GSR's or members that may be interested:

https://docs.google.com/presentation/d/1u9Ak5qXJN9yDf9xgxCMVcAeYWp76_nMGbUrSAP_gyPE/edit?usp=sharing

I also posted the PowerPoint on the NASU Facebook page. The literature chair and I did not get a chance to meet in order to possibly donate any literature to the Alaska region, but Lisa and I will give our financial donation for Alaska tomorrow. Next Saturday July 21 st , there will be a history of Narcotics Anonymous at 2 nd South Pecos Road in Vegas from 11:30am-3:00pm. The regional PR committee is flying in Chris B. of North Carolina for the workshop. There is a flyer attached to this report and I also posted it on NASU. September 2 nd is World Unity Day. This is where members across the fellowship can stream in the Sunday Spiritual speaker from the World Convention. Our area will be hosting a streaming meeting September 2 nd at 9:30am, hopefully in the Southwest Center. The place is still to be determined. There is a flyer attached to this report and NASU.

Thanks for letting us help out

Entertainment - Jordan

Hello everyone

Area Entertainment is alive and well, we have an event that we are going to be hosting next Saturday at the Alano Club. There will be Fellowshiping, food, drinks, a speaker plus fun it starts at 8pm and will go till midnight! I will be asking for \$200 to put on the event but we plan on passing a 7th tradition basket so we can recoup some funds. \$60 goes to the Alano club, and we plan on using the rest on a volleyball net, food and drinks. Other then the event we are planning on getting together with H&I next month to start planning an event where we would co-host a area entertainment/H&I awareness event which will be really fun. We also are going to try and meet with CCGC to co-host a campout as well so all of this will keep us busy for the next few months! We are currently in need of a treasurer and could use some more support. We have chair, co chair and secretary filled and a few other members but we can always use some more help and fun ideas! Thank you for allowing me to serve

ADHOC- Carolyn

July 14, 2018

Good Evening Family,

First of all I want to thank all of you for allowing me to serve on this Adhoc committee, it's been a pleasure and honor. I am your Adhoc committee secretary, this is the finalized report for the Adhoc committee for the discussion of our area funds. Now, as discussed we were formulated to come up with ideas on what this area could possibly do to distribute the excessive amount of monies that this area is holding onto. The following ideas are what this committee have discussed:

Make a donation to region

Make a donation world

Help struggling meetings in our area

Purchase Literature for Newcomer for each meeting

Purchase Literature for struggling countries

Get literature out to our own area such as the Native American reservations, Correctional Facilities in our area, and rural meetings.

Seek and place money down on a building for a recovery hall.

Now all of these ideas are not set in stone, it is actually up to area on how they want to handle this situation. We as the Adhoc committee did put in a motion last for this Adhoc committee to become an actual subcommittee under ASC to establish and maintain the recovery hall. If passed, this does not mean we will be turning to the ASC to ask for an abundance of monies to be placed as a down payment for the building. However, there was a discussion that we could do fundraising to start the ball rolling toward funding for a future recovery hall for NASU. There was also discussion that we might ask area to match dollars that we raise. This would be just to get the building started and not a continued proposal of matched monies. Again, these are just ideas thrown out there and nothing set in stone. The ideas above comes down to a group conscious on what this ASC body really truly feels is in the best interest of the newcomer and carrying the message. This is our last and final report as we will no longer be meeting as an Adhoc Committee to discuss area funds. This Adhoc committee as done its due diligence to serve the ASC. Again, thank you for allowing us to serve such a great ASC and area.

Yours in Service,

Carolyn O.

H&I [Josh B]

Hello family,

I am out of town this weekend but was at the h&i business meeting last night. We had a lot of good things happened at the business meeting. We elected a new literature chair Danielle J. Yayyyy!!! PR went and did a presentation to university park detox and relayed the message to me that the detox wants us to come Wednesday nights at 7. We are looking for a panel leader so please announce that in your home groups. We will hopefully be voting one in next business meeting. We have been having problems with redrock men's youth facility. The door has been locked and no one comes to answer it. We are going to talk to PR about setting up a meeting with someone in charge there to get it figured out. Our next business meeting will be combined with Area Entertainment to plan an awareness event for H&I and Area Entertainment. Our next business meeting will be Friday August 10 at 6 pm at the southwest center.

Thanks for allowing me to serve,

Josh B.

PR Report Leslie

Hello ASC! PR is rockin' and rollin'! Doing some big things! I will do my best to keep this short and sweet, but you all know me well enough to know that I have a lot to say. This month we were able to get into contact with our Regional Phone Line committee. Through that process we did make the motion to move forward with the integration of the phone line system through region. We will be using the 888-495-3222 phone number. That does not mean that will not be using the 435-467-4403 number. However, we will eventually fade that number out, and no longer have a Verizon phone bill expense. Through this phone line umbrella we will be able to have the call go through a personal phone, without the caller knowing the phone number. People who are on the phone line sign up for 4 hour increments and are on call during those hours. If someone does not answer, the call goes to another number. In addition, we will be able to have a spanish speaking member meet the needs of the spanish community through this umbrella. One of our members will be meeting with the regional phone line delegate this Sunday for more information, and to set up a learning day in our area for more information, and details. The phone received 8 phone calls this month. Rosemary has volunteered to take the phone for the month of July. Outreach will be attending more of the struggling meetings in Cedar, and St. George this coming month. We will also be planning a day to drive out to Richfield to check on their meetings. We do know that Kanab is still meeting, and going strong. They do request literature, I do know a member of NA is willing to go out there this next month. Our Website has been updated with some new information, including subcommittee's and contact information. We are thrilled with the new improvements. Thank you Mikey for your service over the years, and thank you Shannon for your willingness to jump right in! If you have not been on our website for a while, go check it out. We have some exciting news, PR was able to get out to the University Detox Center and meet with Dina. Through that process we were able to drop off some posters, and IP's. We discussed how our program works, and what they were looking for as far as H&I was concerned. We passed all of that information on to Josh our H&I chair to get things going. PR was also able to speak with a woman we needed a booth for a

Recovery event. However, they placed that event on hold until further notice. PR also has some things in place for some other facilities and the Native American community, more will be revealed. PR will be putting in a motion for \$74 to be transferred to Literature for IP's. I really do hope I have covered everything. The following meetings are scheduled for this coming month:

Outreach and Phone Line meeting August 4th at 1:00 Leslie's house or via video chat
(works great)

PR meeting the 8th at 6:30pm Elev8 building

Thank you for the opportunity to be of service,
Leslie

SUACNA Shannon C.

Hello Area,

This will be my last report since Suacna 11 is now officially closed. It was motioned by the body to donate \$2,485.78 to Area. As of yesterday when that transfer was completed, Suacna's bank account balance was \$5,478.45. There are still a few checks out there to be cashed but the committee voted initially to keep \$5,000 in the bank account. I have attached the Suacna Treasurer report, this will show you what each committee brought in after the Convention was said done, and everything that went out. There are still plenty of open positions for Suacna 12, please Announce them.

SUACNA 12 has Positions Open for: Convention Chair, Arts & Graphics Chair, Merchandise Chair, Registration Chair, Programming Chair, BST Chair, Co-Treasurer, and Co-Secretary. The next SUACNA business meeting is on August 5th @ 9:00 am at SWC.

Again, thank you for allowing me to serve,

Hey everyone! We have FINALLY decided on a camp site~ish!!! We decided to have it in the general vicinity of last years camp out which, is on Cedar Mountain up hwy 14... The exact spot is still to be determined. I will be putting in a motion to obtain some of our allocated funds for the

camp out. The funds will be used to purchase food and food related items as well as a few supplies. Also!!! Don't forget, we are having our BBQ on July 29th from 4 to 7:30 p.m. at the Canyon Park on the East side where we will be having a contest for the best side dish, raffle, a meeting and of course, lots of fun!! We are still accepting donations for this event and will be

asking if literature is willing to donate anything and we would like to ask SUACNA if they would be willing to donate 2 basic registrations, 1 for raffle and 1 for the best side dish prize which we will

discuss in open forum!

Thank you all for letting me of service!!!

Motion for an additional 10 minutes - motioned passed

GSR ATTENDANCE: 17

Open forum is verbatim, there is a voice recording available to anyone who would like to listen. (this was not recorded for this month)

Open Forum

Steve: Christine is wondering about changing the password on the account and the discussion is that once someone steps down they should be removed. No need for Christine to have access to the password. Steve will change the password and give it to Tysen. If someone needs it, they can contact him. He also is wondering where last years taxes are. Who has the binder of the taxes? Since the budgets have been approved it is his responsibility to populate the budgets for the subcommittees. Staci will add a line that will be there to show each committee for the budget and money. May's old business is wrong and that needs to be changed so there is a record of the budgets.

Leslie: Last month she submitted PR's guidelines but did not put the motion so she will put in a motion to go back to groups. It was from June's emails. The changes are technicalities. Outreach

and Phone Line are open positions. Come to the OUTREACH and PR MEETINGS. Are there any questions about the phone line. Crystal added that the 4 hour increments will allow many other people to help serve.

Rick: Men's spiritual breakfast had someone come and talk to them about a mini speaker jam. They are planning on sometime in October. They would like one speaker from our area and the home group that they are speaking from will go on the agenda that they have. So your home group would get a shout out. He would like to also motion that the Service Prayer would be read at the ASC meetings instead of Serenity Prayer. That prayer was just as the WSC and was voted in as approved NA literature.

Jeri D: Wanted to ask if SUACNA would be willing to donate 2 basic registrations - Shannon is acting chair and they won't meet until August 5th. They are going to make sure that the motions are put in for Area. Also asking for money for the camp out!

Jordan H: Asking for \$200 for their event for food, drinks and volleyball net.

Emilee is concerned with the ADHOC committee with fundraising. Area Entertainment and Entertainment and Fundraising are already struggling. Carolyn said that we are part of a whole region that can help us. Leslie talked about there are debates about the new building, right now we are not feeling it, because it is summer. We will be feeling the pull of this, and they felt like as a committee it would be understanding if they are trying to raise money. Fundraising for a building will not interfere with SUACNA.

Chris: His group had some questions on Motion #5. The questions were about finding a recovery hall. The motion was to make the ADHOC committee an actual subcommittee.
