Hello all

First off I would like to thank those that showed up today for area in cedar I know it's not always convenient so wanted to say thanks ... I was able to show up and offer my support for the combined suacna sub committees meeting and feel it is moving along well and will let them fill you in on that. We are also coming up on holidays next few months so sub committee chairs may want to take that into consideration for their meetings and or events. Also I know not always do we all agree here but we all have the same goals i believe, just different ideas on how to get to

that goal so perhaps when dealing with each other we can keep this in mind? Also alot of sub committees are needing help so gsr's please mention these in your home groups all of us here know the importance of service or we wouldnt be here.

Thank you for allowing me to be of service

Treasurer Steve

Hello All~

August, 2018 was a productive month. Christine R. was removed as the primary account holder for the Area accounts and I, was placed in that position as the acting new Treasurer. The bank transition went fairly smoothly and Christine R. was able to help with this transition via a branch in Las Vegas. Also the associated password(s) has been changed and Tyson has been updated with that information.

Literature had to go in and reactivate their debit card because the bank had canceled the card as a result of these changes and I haven't heard if SUACNA has attempted too use theirs or not. The new SUACNA treasurer will likely need to go with me to the bank and be added as the signer for that account and a new debit card can be reissued in their name at that time IF they would like.

Below is the Area spreadsheet for August, 2018.

Also, as a soft reminder it might be mindful if we were to find an Alt Treasurer for our Area because, as I've mentioned, my work schedule is hectic and it would be helpful to have another member familiar with the books, just in case. ***Someone able to accommodate the Cedar Area meetings would be especially helpful since I work late on Saturday and have challenges finding someone to close for me at my job.

Thanks everyone and,

Thank you for letting me be of service!
Steve C.

RCM

Good evening ASC

Lisa G is excused tonight, so I am happy to give RCM report. There really isn't much to report, but just a few things to mention. Next Saturday September 15 th , 1:00pm – 5:00pm there will be a regional convention awareness event at the SWC in St. George for Region51 convention. There will be a speaker jam and food. There is a suggested food donation of \$7.00 but no addict will be turned away. Las Vegas supports our convention so please come support their event next Saturday. Next Sunday at 11:00am, the regional service committee meeting will be held in St. George at the South West Center. All are welcome, so if interested, please show up next Sunday. Our regional convention is just around the corner, September 28-30 at the Gold Coast Hotel and Casino.

I have posted on our NASU Facebook page the NA survey from world. The survey gives our service structure data and demographics about our fellowship, and it used to further the development of NA in countries that have not heard of NA.

Attached this report our two regional bank statements from region for the months of May and June.

Thanks for letting me help out
Jerry C.

Entertainment - Jordan

Hi all

Not much to report this month that is different from last month's report. Area Entertainment is alive and well we have all positions filled. We are co-hosting an event with H&I Saturday Sept 22nd 3-7pm @ Veyo park. There will be speakers, water kickball and a dutch-oven cook off. We challenge all committees and home groups to bring their best dish.

Thank you for allowing me to serve

Subcommittee formerly known as AD-HOC (Jon G)

Hey everyone,

Unfortunately, I have nothing to report. However, I do feel the need to apologise to the area body for not fulling my duties at the area level these last few months. We will be holding a committee meeting tomorrow at 5 pm outside the alano club if anyone would like to join us.

If you have any questions or concerns please feel free to call me. And I will be at area next month. Thank you

H&I [Josh B]

Hello all

Last night we had our business meeting at the southwest center. We had very low numbers in attendance. We didn't have much business besides the fact that we are still having trouble with redrock men's facility. The kids have not been showing up and or the staff have not known about the meeting and won't answer the door. Andy and I are going to schedule at time to go in and see who we can meet with during the day to get this figured out. We have started taking a meeting into shadow mountian detox and we are excited about it. We have our h&i and Area Entertainment event coming up September 22 from 3-7. We will be meeting with Area Entertainment on September 21 at 6 pm at the southwest center to finalize the plans for the event. I will be motioning for \$100 for the event for h&i portion of the money.

Thank you,

Josh B

PR Report - Leslie

PR Report

Please excuse my absence from the ASC this month. Susan and GiGi will be here to cover any and all questions and concerns in regards to PR. Again, we are still in need of a phone line coordinator and an Outreach chair. These are committees that could really use someone who is willing to help make a difference within the NA community. Please make the announcements in your home groups, or consider being apart of PR. Changes and updates have been make to the meeting schedules and the website. There have been some changes to the website, we have looked over those changes within our committee and voted to accept changes as a committee. If the ASC, and GSR's have concerns or would like to have a voice in those changes, please come to our business meeting, or contact anyone within PR or the webservant. We are open and would gladly welcome the support and suggestions. Meeting lists and IP's are being placed throughout the community. Outreach was contacted about Wednesday morning needing support, or struggling meeting concerns. I did send the guidelines to the person who contacted me. I have not heard from any other meeting this month. We have made arrangements for the upcoming Recovery Day, and have members who will be there to setup and stay throughout the event. I was also contacted about doing a presentation for the courts, we will be working on this throughout the month of September, more will be revealed. Additionally, we do have Spanish poster that have been made, we will be distributing them throughout the Spanish community. Now that the phone line has the option of a spanish speaking members, this will be a new adventure for our area. We have also been in contact with the Shiviwits reservation. The guidelines were also update with the color change as requested.

Next Business Meetings:

October 6th @ 1:00 pm Outreach

October 6th @ 1:30 pm Phone Line

October 10th @ 6:30 pm PR

Thank you for allowing this committee to thrive and all the support,
Leslie, Susan, and GiGi

SUACNA 12 - Jeremy J (co-chair)

As the co-chair of SUACNA 12 I am happy to report that we held our business meeting on August 5th. Due to labor day weekend we decided to push out our next meeting to Sept 9th therefore we have not met since the last area meeting. There are still four subcommittee chair positions available. Those four are...

- 1- programming
- 2- arts and graphics
- 3- hotels and hospitality
- 4- registration

However, there are two nominations for programming chair that will be voted on Sept 9th. Please announce in your meetings that we still have open chair positions, and need support. I am guessing that by the next area meeting there will be more to report on as SUACNA will have had two business meetings since now. We have had a little bit of a slow start but we are excited to keep moving forward and put together another amazing convention! Thank you for allowing me to serve.

Literature Andy

Literature brought in \$331.00 from tonight's literature sales. He will email a bank balance when he is able to get it.

CCGC Jeri

CCGC September chair report

Hi friends!! Our 4th annual campout was freaking awesome! The weather was incredible the food was delicious!! And the best part... We achieved our primary purpose, we were able to reach a newcomer! Also, had a fairly new member throw a shirt, of great sentimental value from a smoke shop, into fire as she announced that she is joining The No Matter What Club! Talk about fire!!! Super awesome!!! We had about a 20 overnight campers with their families. For the Saturday main meeting and dinner we had about 45 people show up for the meeting!!! Shout out to Hurricane, thank you for your support!

We observed the 7th tradition and received donations, in the amount of \$111.00.

Received \$375.00 from area. Here is our breakdown:

- \$332.47 - Food and supplies
- \$20.00 - Reimburse Thomas B. for gas
- \$352.47 - Total expenses
- *\$23.53 left over + \$111.00 from 7th tradition & donations
- \$135.00 Deposited into bank.

Don't forget about our campfire meeting September 15th! We'll be starting at 8pm with some fellowshiping and smores followed by the meeting at 9 P.M.. At the Southwest Wildlife Preserve, just up HWY 14 about a mile on the right hand side.

We will be having another campfire meeting October 6th starting at 8 P.M. for fellowshiping and Smores + Hot chocolate followed by a meeting at 9 P.M.. At the Southwest Wildlife Preserve, just up HWY 14, about a mile on the right hand side.

That's all she wrote!!!!

Thank you for allowing me to be of service!

The purpose of SUACNA is not only to raise money nor is it their responsibility to sustain the financial stability of NASU.

The concern about the \$6,000 motion to Region 51 - if we send that money up will we have enough to cover the budget of each sub-committee

All the balances left total for each subcommittee:

\$6936.05 - We would be left with \$5026.84 (we would not be able to make a donation of \$6,000)

2017 \$5923.38

Expenses \$5821.53

Profit \$101.85

There is discussion about doing a quarterly report. Prudent reserve should be 3 months worth of expenses. We have also only donated 1 time to Region this year and our guidelines indicate that we will donate 3 times per year. This needs to be addressed.

An addict had 5 spanish speaking NA posters made and is putting in a motion for reimbursement for \$10.64

Someone is motioning for \$100 to come out of H&I budget for the entertainment event

Cedar City will be starting a new Saturday 9:30 pm meeting (closed) She needs direction on starting the meeting. She needs to get with PR/Outreach to ask for help and support. It will be at the KKCB. Meeting will begin soon. She will put in a motion for a new meeting starter pack.

Open Forum was discussed and we decided to leave names out for anonymity but we will make cliff notes on the topics and the secretary will do the best they can to represent the topics discussed

We need an alternate treasurer who needs to have 2 years clean time. If someone is interested please come to area next month. The commitment is for 1 year.

A GSR wanted to ask about key tags that were purchased in other languages and they are wondering how we handle this. It was discussed with the previous literature chair about it and he indicated that he has done it that way. They thought the idea was a decent idea to purchase keytags that were in different languages. There was a lot of stuff ordered that is still sitting in the box. The white key tag in different languages shows the newcomers that we are a world wide fellowship.

An addict wants to see if we can do 2 months in Cedar and 2 months in St. George.

An addict is putting in a motion for \$100.00 for supplies for their event

An addict is putting in a motion for reimbursement for meeting lists

An addict has started a new meeting and is wondering about a starter kit - is there a time limit before they will be listed on the meeting schedule. This is a question for PR. She will be putting in a request for some literature
