

Southern Utah Area Convention of Narcotics Anonymous SUACNA GUIDELINES

REVISED: January 2016

PURPOSE

Conventions are held by members of Narcotics Anonymous to bring our membership together in the celebration of recovery. Meetings, workshops, and other activities are scheduled to encourage unity and fellowship among our members. Because conventions are sponsored by service committees of Narcotics Anonymous, they should always conform to NA Principles and Traditions and reflect on our primary purpose. SUACNA is designed to encourage unity and celebration within our particular area and region.

PLANNING COMMITTEE

The planning of a convention requires the combined efforts of many people. Hosting a convention is a tremendous responsibility that requires significant planning, dedication, and effort. Conventions can be complex and overpowering endeavors; therefore, effort should be made to select key people who have had prior convention experience. These people work as a committee, which might be made up of representatives from groups sponsoring the convention. In this area where an annual convention formulated, the Convention Committee is a sub-committee of ASC. This is done to insure continuity of effort. Although some members change from year to year, enough experienced convention planners usually remain to ensure an effective planning process.

CONVENTION COMMITTEE MEETINGS

All Convention Committee meetings should take place at a regularly scheduled time and place. The purpose of these meetings is to gather and share information regarding the planning and carrying out of the convention. Effort should be made to encourage support and participation from all members. Care should also be exercised during the planning process to involve as many groups and individuals as possible. Even at this early stage, it is necessary to elect a chairperson to preside over the Convention Committee meetings and activities. Elections of officers should

be based upon qualifications and experience. A description of Administrative Committee members and duties is presented in these guidelines.

Voting Member Requirements

- Any member of NA who participates on a regular basis (two of the last three meetings, including current meeting) at the Convention Committee meetings is considered a voting member. Also, all Executive Members and/or member from any Sub-Committee are voting members.

Subcommittee voting privileges are determined by the chairperson of the subcommittee. All subcommittees hold separate meetings prior to Convention Committee meetings. The subcommittee chairpersons submit reports, recommendations, and other details about their area of responsibility. All executive and sub-committee chairs are required to attend all convention planning meetings. Missing two consecutive meetings without a report or communications with committee co-chair, the position will go to the co-chair of that committee if they meet the requirements, or the position will be deemed open. Convention Committee meetings are scheduled monthly. It is advisable to schedule 2 to 3 hours to conduct Convention Committee business. An agenda or format should be prepared prior to meetings. Convention Committees use the agenda shown below:

- I. OPENING: Begin with moment of silence asking for all members to reflect on their involvement, thinking about who they serve and why. Follow with the Serenity Prayer and the Twelve Traditions and Twelve Concepts.
- II. Chairperson’s report (review progress to date and relay recent information)

STATEMENT OF ACCOUNTABILITY

Funds and/or Merchandise:

As stated in the Twelve Concepts, a single point of accountability should be clearly defined. In keeping with this concept, when funds or merchandise are transferred from one person to another, a written record, such as a receipt will be filled out and kept in a manner which can be readily accessed. The nature of the exchange will be clearly defined in the written record.

- Subcommittee Chairs will pass along all subcommittee records to the next year's Convention Chair with a final report at the last Convention meeting.
