Co-Chair Report

Hello ASC... This month I was able to conduct an audit with Mikey N. and Jon G. During that audit we were able to compare invoices, and bank statements, and bookkeeping over the past year from our previous Treasurer. I am happy to say that Mikey N. has done an amazing job, and left things in a way that has made it easy for me to take over. He has maintained the books, and bookkeeping very accurately. We did not find any discrepancies, all checks and balances are accounted for. I was also able to get Dale B a check in the amount of \$500.00 for the Area Campout. I will be needing receipts for that check today, and also any funds that were collected or remaining from the event. I also reimbursed Scott D for meeting lists, in the amount of \$120.60. We took in \$284.24 in Area donations last month. I paid the Verizon bill online today October 15th, in the amount of \$33.82, this was \$3.24 more than last month. This is due to a prorated amount that was given to us for the new service that went into place. The amount I paid this month should be more accurate from this point forward. We currently have a balance of \$6875.17 according to my calculations. I have contacted Mikey N. to confirm this balance. I still do not have access to online banking. During our audit we decided to wait until we get a new Treasurer to change principals with the bank. I hope this committee agrees with that decision. It seems that it might be redundant to change it now with me, and then again when we have a new elected treasurer. Please let me know if anyone has questions about this, we can go into details during open forum. Also, it was brought to my attention that we are due to make another donation to Region, it was suggested to send either \$1500-\$2000. I will be making the motion during new business. Also, I have not been checking the po box lately, however, I did so today!! This is something I plan on doing on a bi-monthly basis. I am not sure if it should be more regular, however, this is a learning process for me. Just for my records, and a point of information, the storage unit payment is due in January.

Keep in mind we are in the middle of October, and we still do not have a Treasurer, Co-Treasurer, and a Co-Secretary. Elections will start in January, that means we have two more ASC meetings before elections. Maybe one of you are interested in a new service position.

Thank you for allowing me to be of service to Narcotics Anonymous,

Leslie H.

Secretary [Christine]

Entertainment [Dale B.]

Good evening everybody I hope these minutes find you well. I apologize didn't work I am not able to attend our meeting.

Area entertainment had a great camp out. We had anywhere from 50 to 70 people show up at different times.

We had some leftover chili which you can find in the itemized budget, and photos of what was put back into the storage unit, We can all decide what we can do with them. Maybe save them for New Year's, I don't know?

Area Entertainment spent \$398.00

There is a hand out; of what we spent it on, plus the receipts. Please pass around.

We have a \$102 check to bring back to area and a \$11 donation.

And if I'm not there to to read these minutes. Hopefully there's someone there to make our next motion we are in the middle of planning our next, Awesome event. I love you all thank you for allowing me to be of service.

H&I [Wade R]

No Formal report. Event announced.

Outreach [Jen J.]

Hello. Outreach met 10/14/16. We went over and accepted the ad hoc guidelines for struggling meetings. We also had visitors from area entertainment and decided to collaborate with that committee for our New Years Eve events. This month we will be attending the Hurricane meeting 10/16 at 8 pm and the Mesquite meeting October 25th. If anyone would like to go to Mesquite, please meet behind the Zions Bank in Bloomington at 1:30 our time. Thank you for allowing me to be of service.

PR [Jerry C].

PR has been working diligently with Dixie State University in order to get literature, public service announcements, and possibly a meeting on campus. I'm pleased to announce that literature is now in the wellness center at the university, and the public service announcements are still a work in progress. PR has been working with the dean in order for all of this to take place. The dean has communicated with us that he would like a meeting but the meeting would be for students only. The PR committee feels that any Narcotics Anonymous meeting needs to be for any addict seeking help regardless of where it is. However, a member of NA and student of Dixie State has taken it upon themselves to start a NA meeting. In the next month, PR will be meeting with the dean in order to make this meeting open to all addicts. In the meantime, this meeting being held on campus for students only will not be on the meeting list. More will be revealed next month.

The line was held by Scott D. and the phone received fourteen calls this month. The phone bill this month is \$33.82, and Josh B. will be answering the phone next month.

The web servant added three informational fliers to the web page for various events in Las Vegas, H&I awareness event, and another convention. All SUCNA emails were updated, and grammatical errors were corrected. The CCGC guidelines will be added if approved.

There were no changes made to the meeting lists. The updated meeting list has not been sent the

ASC Web Coordinator. The October lists were printed, (500), at a cost of \$94.92

September lists were distributed to the GSR's who attended the September ASC.

GSR's from Richfield, Kanab and Mesquite were not present at ASC. Meeting Lists were delivered to Kanab and Mesquite and were mailed to Richfield.

Lists for all locations within the community were distributed within two weeks of ASC by

Rosemary and Dave J.

I have obtained three new bids for printing for the meeting lists. The bid from FedEx was voted on by the PR committee.

Tacy placed 4 posters and 15 meeting lists in Enterprise in September. Two new posters were placed in the Southwest Center.

SUACNA [Mikey N.] .

Hello Area, we are at the point in our convention where we are finalizing the dates for the convention, the location of the venue, getting the art work and logo ready to be rolled out with fliers and such. They are still about a month out, so you should see and hear by the next area. We will be having our first fundraising event in December. It will be a Christmas white elephant speaker jam. This will be the weekend of the 17-18 in December. The final date will be given out soon, but put that in your calendar. Our current balance is \$4989.73. We recently filled one MAJOR position at Ent and Fundraising with Staci B. She is excited and has event experience and some fresh ideas. We are still in need of 3 major positions. So please GSR's listen up. Talk to your home group members, ask around and see if you know someone that is willing to serve on our committee. They are Co-Chair (2-year clean time), Secretary (1 year clean) and Arts & Graphics (2 years clean). Thank you for those that are already serving. We have sub committees that are also in need of committee members. Thanks for allowing me to serve. Mikey N.

Also I am including the list of official email address for the committee. Just like Area, we have created email address specifically for each position, so that it will stay with the position and not the person. If you need to email us, here they are

Entertainment would like to purchase an anniversary basic text and Raffle for new years eve. merge with outreach, will raffle out the name for the books. Bring awareness to the events. Money is staying in NA.

We looked at amazon but we want to get it from world so it stays in NA. Eric can include it in his order Not to exceed 100 including Raffle tickets, 74.00 for the literature. bundled with the jft journal and the calendar.

Jen

In the outreach business meeting we approved the struggling meeting guidelines. Do I motion to untable the motion?

What we do as a body is we would untable it and send it back to groups. Its dog marked in the minutes.

Leslie

This is in reference to account information still being in the previous chairs name. we discussed conflicts with people holding cards that are not in their name. The literature chair should have a card in their name. As i am the interm treasurer i do not have access to the online

banking. So I still have to get with Mikey to find balances and what is going on. He tried to set up the account with treasurer@nasouthernutah.org email address. So whoever picks up the position they dont have to change anything it will be registered to that email address. However when I pay the bills online im using checking account information. There should be a debit card. I am avid about the fact that the person who is taking on the position should have a card in their name. It is illegal for someone to be in possession of that card if their name is not on it. This information should be in the guidelines because we have had the same problem before. What are we going to do about it and how is it going to take place.

- Discussed as a group to get all account information up to date with current positions.
