Executive Reports

Chair [Leslie H.]

Hello ASC...

My report for this month does not include much. I am sure you will hear more about the business that was conducted this month more so within the Co-Chair report. However, I was able to attend the business meeting for the area Entertainment committee this month. My plan is to attend more of the ASC sub-committees each month. I have spoken with the co-chair, and we will support one another through this process in order to give these positions our support. We still have the Entertainment and Co-Secretary positions open. If you know of anyone, or you, yourself are interested in either of these positions please let us know tonight at this meeting. There is a lot going on within our fellowship. I encourage all of the GSR's to get these events out to your homegroups. Before we leave this meeting, please make sure the secretary is aware of your next business meetings, and have your reports submitted as well. The executive committee has come up with the budget to be approved, and will submit that budget in new business. Thank you for allowing me to serve

Leslie H.

CoChair [Tyson J.]

Co-chair report first month as co-chair and my plan would be to alternate sub committee meetings each month that i attend just to fulfill the liaison duties of this position.

This month i was only able to focus on area entertainment. My hopes is once this position is filled it will free me up to attend more of other committee meetings soon.

So GSR's and sponsors or sponsees, if you know of anyone willing or who may be willing to take nomination for area entertainment please encourage them to do so at this area if present or at next area.

Secretary [Mary]

Once again, thanks for your patience during my transition! -Mary M.

Treasurer [Christine R.]

April 17

Hello everyone, What an interesting first month. I am finding my footing in this position and I am confident that things will balance out. The good news is; the Chamber of commerce has been successfully changed and the bank accounts have been changed. All the signers are current and correct. I have been going through the past few months on an informal audit and I am finding a few discrepancies. Just one or two numbers off in a few places, discrepancies between our spreadsheet and the bank account. I am continuing to look into it further and will have everything figured out by next area. So now for the numbers.

Starting balance of \$ 8998.01 --- Bank account balance not spreadsheet

RCM [Lisa G..]

Hello everyone,

I would like to say thank you to everyone that came to the regional meeting last month.

Our RD Tina just returned from the Western Zonal Forum, I am attaching her report to this report for anyone that is interested in going over the information she brought back. Tina reports there was quite the buzz over the texting service offered by our region, So California is in the process of signing up members.

The new daily meditation and IPs are now in the works. Please log on to NA.org to get involved. WSO is also in the process of updating the shopping process for easier navigation.

The regional guidelines are being updated and have not been completed at this time. Once they are finished they will be emailed to RCM for review. If there are no issues they will be in place by the next RSM.

Social media and Facebook have been the topic of discussion the last several meetings due to the page titled Region 51. There have been questions about who the admins are, and information that is being reported. Region is looking for input from all who may have a solution. The topic on social media is being discussed and addressed by world, and some of the feedback from our region is they are not opposed to creating a legit Facebook page that is monitored by our region for accurate information.

There is also some question concerning whether Laughlin is part of our region, so travel to that area for the RSM has been postponed until we get clarification from the CAN area.

Tina has asked to be added to our area minutes. Her email is tinanahm@gmail.com.

I will be turning in a receipt for gas, Jerry and I traveled to Las Vegas to attend the luncheon to discuss the upcoming Service Palooza to be held on May 21st. Jerry will be reporting about this exciting event to be held by our region. I have brought information on upcoming events for our region, but the texting service is awesome.

Thank you for letting us serve. Lisa

Entertainment -(POSITION OPEN)

We scheduled and held a meeting for this committee we had only 3 in attendance

We went over only copy of guidelines we could locate and they were dug up from 2012 or 2013

so we decided to get input from searching other area guidelines and then we combined the 2

sets to come up with the guidelines I have attached **** secretary please attach these

guidelines to the minutes***A motion will be put in to accept these guidelines. Second thing we

addressed was budget and we voted on \$1000 dollars for the year we will be putting in this

motion as well, third thing we discussed was an event because of time frame we are in and

before the convention and not to conflict with fundraising and entertainment of suacna we

decided to do our event soon, we came up with a simple plan Campfire meeting in little valley At

8pm on April 22nd. We will not be spending any money for this event ,all we are doing is getting

the fire started and going and chairing the meeting ... everyone brings own snacks and drinks

and chairs .. we will provide firewood....we wanted to do something soon and simple so we could raise awareness for this committee. It will have a round robin meeting and then fellowshiping after for those that want to stay longer. Please announce this in your homegroups . I have also attached the flyer we created for this event as well ... the flyers are on the table. This is a free event so please let people know of this event and to come out and enjoy this event. our next area entertainment meeting will be april 10th so this next monday at 7:15 pm at the picnic table outside alano club.... looking to fill all positions for this committee, we also discussed more ideas for other events but on this more will be revealed.

Thank you for allowing me to be of service

Tysen J.

H&I [Jessica] Hello Friends!

Please excuse Jessica from tonight's meeting, she's unable to attend tonight.

Not much to report since the last Area Meeting. We discussed bracelets and are not moving forward on that. We also talked about getting members committed in going into facilities. We talked about teaching the members in the facility how not to cross talk in meetings and such. So that they are aware how the meetings work when they are able to attend meetings upon their release. We are always in need of more volunteers to help us take the meetings into facilities!!! GSR's please announce in the meetings that we are in need of support!!!!

Thank you for allowing me to serve, Melissa V

Outreach [Daniel P.]

Hello everyone. Outreach met yesterday at the Southwest center, with only me in attendance. I contacted the 2 other members of outreach and discussed some meeting to attend for April. We are going to make a trio to Richfield, most likely on Sunday April 23rd, its been a year since we've had been out there, and we agreed a visit would be good. We will also attend Tuesday night we unite, but that date has no yet been determined. Within the next week or so we will be getting together to put a questioner together for the groups, to see how outreach can help them. We are in need of committee members, as all of our positions besides chair are open. Outreach helps support struggling meetings, and right now we are the ones in need of support. We will meet the week of the 16th, at an undetermined date and time, but I will post it to Facebook when I know the for sure date and time. Thank you.

PR [Scott D.]

Good evening everyone!

Here it goes...my first attempt at the PR Report

We have gotten off to a bit of a slow start with half of our committee either sick or out of town. 500 April meeting lists were printed at a cost of \$91.73. It should be noted that the Circle of Hope meeting will move back to Slick Rock Park on April 10th. The new meeting time will be 7:30 PM. We will be proposing the new budget for this year for PR to be \$3000. I am attaching last years ending budget for reference. \$1,738.38 was spent, (assuming the outgoing PR Chair's math was correct). \$1,351.71 was for meeting lists; \$343.92 was phone costs; \$79.30 for IPs; \$25 for the website and \$85 for posters. This year we have some new places we want to expand and are hoping to place more posters and IPs.

Our budget for this month is also attached.

I have also attached the inventory of IPs with a total value of \$854.73

I expect more input from my committee this month but for now our goals are

Update phone line guidelines including guidelines for 12th step calls

Continue to provide the fellowship and community with accurate meeting lists

Continue to provide the Southern Utah Area an effective helpline

Everyone have a incredible evening and thank you for allowing me to serve.

Scott D.

We do have the Flyers and posters that went to Cedar City Hawaii Lake Powell and silver regions in Nevada. Our programming is now complete and we have finalized the program we will have our Workshop beginning at 3 p.m. and it is titled "miracles happen" after the theme of SUACNA 1 this starting time is different from what we traditionally do so let people know and be aware that the first Workshop starts at 3 p.m. we have our scheduled meetings updated online because we are now going to meetings every other week, and then weekly meetings shortly for those of you that would like to get involved or get more information about the upcoming biz meeting or events please take a look at our calendar on Nasouthernutah.org/events. It is the NA lip sync battle with teams competing in single, duet or band and children under the age of 18. the prizes will be registration to Suacna more information and flyers will come out about this event shortly. This should be a huge, family fun event and would love participation from all members.

CCGC (Susan)

Good evening my beautiful people! CCGC met on Monday, April 3rd @ 7:00 pm in the small room at the KKCB. We had planned on holding elections for the open positions we have (co-chair and 6 growth rep positions). We only had 4 in attendance at the meeting and decided to hold elections at the next meeting. We discussed and voted on moving the meeting to the Southwest Center and will be putting in a motion to do so. We discussed and voted on a budget

as well. Here is our budget: We are asking for a budget of \$535. Listed below is a breakdown of where the money would be allocated. Campout-\$275 Miscellaneous-\$80 Park fees-\$80 Food for the events-\$100 To go into a little more detail about the budget...miscellaneous we would use for posters and fliers for our events, also if we were doing a fundraiser and needed to get a prize such as literature or what not. Also we would use it for the bowling event in no addict will be turned away. Not always but sometimes we have members who really want to be a part of but just don't have the funds to. We do around 3-4 events a year that require us to reserve a pavilion at the park. And of course food for the events is pretty straight forward. We are doing a volleyball and meeting at the West Canyon park tomorrow April 9th from 2-5. We also will be having a campfire meeting at the Wildlife Preserve at 8:00 pm on April 22nd . We discussed doing a fundraiser for May. We were thinking maybe a spaghetti dinner. Getting members involved by bringing sauce, best sauce wins a basic registration for SUACNA 10. Or maybe do native taco dinner and we could do a raffle for SUACNA 10 basic registration. CCGC next business meeting is going to be Monday May 1st @ 7:00 pm. Unsure about location at this time. Either the KKCB or SW Center. Thanks for letting me be of service!
