TREASURER'S REPORT - Thomas B / Kevin

Hello area, I came up to Cedar city to meet with Thomas to do the November treasures report. We also today did the convention committee audit today I have just a couple of questions I need to get with Andie on Kevin and I will have a finalized report next month. I feel that I myself have learned a little bit more about the commitment and it's been a learning curve and I'm glad to do it Kevin K. Good evening ASC just a couple of the things that we need to go over the bus and was also paid for two months for December and January. Also the check that we wrote last

month to the Spanish meeting was returned and voided they failed at this point they were still self supporting. If you're looking at the expense report below you'll see that we've added the column in for the struggling meeting for \$300. Also looking at the spreadsheet below the two expenses for 59.88 and \$55 we're not on last months report but they should've been Kevin and I caught that this evening And I added those numbers to this months report. We wish everybody has a safe and happy holiday and thank you for allowing us to serve Thomas and Kevin k

RCM REPORT - Shanon C

Good evening,

Please excuse Shannon C. from the area; she is attending a holiday work party tonight. We attended region last month, and here are the two items we were asked to bring back to you.

Open Regional Positions:

Vice-Chair and Vice-Treasurer, both have a 5-year clean time requirement. If you are interested, please show up at our next regional service meeting to state your willingness.

Zonal Collaboration- Are we okay with the Western State Zone (Our Zone) getting together to share best practices with the other zones in the US? Please see the attachment for more information. This can be decided at ASC and Melanie can answer any questions you have.

The Conference Agenda Report (CAR) has come out for the home groups to get together, go over, and vote on. Our Alternate Regional Delegate (Melanie) has copies for all the GSR's and more information on CAR Workshops and Regional Assembly. I want to thank Melanie for printing those for us and our region for all their hard work and support to the areas. AS always, RCM'S will be available to home groups that need any extra help understanding or going over the CAR in their business meetings.

*From Shannon- I need someone to make a motion to reimburse my gasoline for travel to RSC, it was \$39.66. This motion is for a paper trail only and is a standing motion that has already been approved. I sent the receipt to our treasurer.

Thanks for allowing us to serve,
Shannon C., Patrick S., and Falene D.

ENTERTAINMENT - Paul B

Hi everyone just wanted to do a brief report as nothing has really changed since our last ESC meeting.

Just a quick reminder that our last single day event is coming up next Saturday the 18th at the Southwest center.

We have flyers here please join us for our in a Friendsgiving event.

We still have not used the \$100 advance we receive last month because we will be purchasing all of the meat at the end of this week.

Thank you for letting me serve.

H&I - Jason R

Sorry I will not be able to attend in person, I should be on zoom, I am working all weekend.

H&I has been in contact with Hope Rising about doing meetings 1st and 3rd Wednesday of the month, we had 4 people show up to our last business meeting, so we had to table the panel leader position. We will announce it at meetings until our next business meeting.

All reports were emailed into our handi account, and facilities are doing well, with literature and meetings.

We have received part of our literature order from last month, and we hope to receive the rest soon. That jail would like 10 basic texts and Youth DT another 5.

That is all.

Thanks.

Jason.

PR Report – Rachel D

Hey all,

PR is doing well. Turkey Day was a smashing success. We had a great time in service to our fellowship and there was just a really sweet spirit there.

We are printing another 650 meeting lists this month. Rosemary has them. If you're unable to attend area in person, PLEASE contact Rosemary to get some or keep in mind that she keeps extras at the Alano club that you're welcome to take to hand out to your meeting attendees as phone lists.

We have adequate literature on hand and our literature coordinator is keeping all racks around town filled with IPs and Meeting lists.

Our phone line is doing well, calls are being answered.

We reached out to one of the suboxone clinics in town and were able to get meeting lists in there.

In general, we are doing well and are looking forward to continuing to serve our area and our community.

We will be filing a motion to have the groups approve some added guidelines for Outreach Coordinator.

Thanks, in loving service,

Rachel

SUACNA 14 - Aaron V

SUACNA 14 Chair report

Howdy Fam,

Our convention continues to move forward. Guidelines with changes will be submitted tonight.

Pre registration special was a huge success and brought in 145 registrations.

Our total bank balance is 13,486.31

The hotel and convention center have been secured.

Our next SUACNA fundraiser will be on New Years Eve at the SWC 9:30 PM and go to midnight.

It's going to be a Roaring 20s theme with some dancing and I'm sure it will be a great time. Word on the street is the speaker is a good one, and I know for sure that he has a solid clear message of Narcotics Anonymous. So please pump this up at your homegroups!!

Also our logo has been voted on and passed

Thank you for allowing me to serve.

Aaron V

CCGC - Coby H

Hello NA family! CCGC met on Friday December 3rd and went over guidelines and voted in Jared M for co-chair and Susan R for secretary positions! We are having a couple events this month- Thursday the 16th we are going to the 8PM It Works How and Why meeting to give much needed support, then bowling afterwards at cedar lanes. Those of us that are able to pay for ourselves will, however, we would like to motion for \$40 for the possibility of those addicts who want to bowl but don't have the money. If the motion passes, the money will only be used for bowling, not concessions!! Any and all \$ not used will be returned back to Area! Also, we are carpooling and going to the Friendsgiving potluck on the 18th at the Southwest Center in St George! CCGC could use some support and we would love for anyone in and around our area to come and be a part of!! Thank you for letting me be of service and Happy Holidays!!

LITERATURE - James A

Literature chair: James A

Co-chair: Alexys P

Report: hello people. Literature collected \$755 in literature. Thank you for allowing me to be of service.

Literature chair. Correction from last months income from literature is \$385.

Correction from my self inventory total was actually \$3757.59. The bank account balance at that time was \$1158.57

POLICY COMMITTEE - Dave J

The committee met twice this month. We have finished reviewing all the

minutes back to the beginning of 2014. Everything is up to date to the best of our understanding. We still have to do an overview to be sure everything is where it belongs. Over the next month we will be reviewing the new SUACNA guidelines so we probably won't get to the overview until sometime after the January ASC meeting.

Last month here we discussed the storage facility access. Staci has made up a log in sheet for the storage facility for anyone accessing it. This should help keep track of what been removed and by whom.

We also discussed scheduling for this meeting. There are a number of points to be discussed about this and I think open forum might be the best avenue for that discussion.

next meeting will be

Wednesday, December 15 on Zoom. Zoom ID 836 605
