CO CHAIR - Layton Everson

Hello ASC,

I am sad to do this but I need to ask this body, with humility, to allow me to resign from my position as Vice Chair. After lots of careful consideration I have come to the conclusion that I am not a good candidate for the Chair position. I still have lots of growing to do before I will be worthy of such a responsibility. Thank you for understanding and thank you for allowing me to be of service.

SECRETARY - Jeri D

GSR Reports - It is much easier for me if yall can send your reports in an email with the information in the body of the email. NOT a picture of the GSR report sheet. If you have any questions, please let me know! Thank you for allowing me to serve!

ENTERTAINMENT -Aubrey M

Hey everyone it's Aubrey here. Today's event was so super awesome!!! There was a good turnout about 40-50 people showed up plus a treatment center!!! The speakers did an immaculate job and a message of experience, strength and hope was shared. The water balloons were a HIT and members and their kids had a blast with them. The cornhole tournament was a success!!!! We used all the money from the budget. I am so very excited for the next event which will be a Volleyball tournament with ICECREAM and speakers on August 27 from 6-9pm at the little valley courts, and hopefully we attract more members into coming. Thank you all for your support and thank you for allowing me to serve.

H&I - Emma M.

If you have a year clean, a clear message of narcotics anonymous and would like to serve please come to our next business meeting August 12th. Or get with any h and I member. We also talked to policy about our orientation and our guidelines and we are working with them to make some changes probably by next area meeting we'll have those done. Also Crossover has closed their facility. Thank you for letting me serve
Emma

PR Report – Jen J

Good evening,

PR met this past Wednesday at 6:30 on zoom.

The talk route for the phone line I k HH but with the area treasurer. We will switch it over once we have changed the bus signs and the posters with the new number. We will still be using the region phone line until all is completed. On that note, we finally have a new phone line coordinator! Yay!

We have decided as a committee to get three bids for printers for the meeting lists. The cost of printing at the current place has risen dramatically and we as a committee do not want to go over budget this year.

The webservant is going to update the website in the next few months. More will be revealed. Thank you for allowing me to serve.

CCGC - Coby H

Hello NA family! CCGC met on Friday July 8th and discussed the upcoming campfire meeting this Tuesday, July 12th! Fellowshiping and s'mores starts at 8:30 and the meeting starts at 9 at the fire pit past the small pavilion! I was able to reserve the small pavilion for the campout, and we also discussed campout menu ideas and scheduling. Saturday dinner will be at 6, campfire meeting at 8:30! Sunday breakfast will be around 8-8:30! We are looking for a spiritual speaker for the Sunday Spiritual meeting which will start at 10 am! Qualifications will be at least 3 years clean time, working the NA steps with a clear message of Narcotics Anonymous! Anyone who is willing to share their story please contact Susan or myself! Both events will be at 3peaks at or near the small pavilion! CCGC meets next on Friday August 12th in the KKCB small room! Thank you for letting me serve!!

LITERATURE - Alexys P.

Hey family my name is Alexys and i am an addict. Literature collected 333.63 this month. We were able to fulfill all the groups' requests this month and I want to thank everyone that helped the committee out and was of service. We are grateful to be of service and to be able to help the fellowship. Also, we did get more ziplock bags for the amount of 22.40. I would like to be reimbursed for that amount. I will be putting in a motion for it . if you have any questions or concerns regarding literature please contact me thank you, that is all.

POLICY COMMITTEE - Dave J

The committee met once this month. We completed a review of the H&I orientation guidelines and made some suggestions to that committee. We will be submitting 1 motion during new business that we can discuss during an open forum. The committee could really use some active members. At this time we are basically a committee of three which means we pretty much have 2 voting members. This doesn't really lend itself to multiple ideas and opinions. This committee really is a great way to gain a fuller understanding of the Traditions and Concepts. Anyone who

might be interested or has any questions can reach me at 435-773-3570. Our next meeting will be Wednesday, July 20th at 6:30 on Zoom.Meeting ID is 836 605 8764. Password is namaste.

In service, Dave J

Re-opened 8:43 Melanie regarding a regional unity day -

Megan - Circle of Sisters - Have concerns for the new name of Beaver meeting - I love Beaver Meeting. Think the name breaks tradition and makes NA look bad. This will go to the Policy Committee to see if this breaks our traditions or makes NA look bad.

Staci - Storage unit- Jon G organized this unit a while ago. Staci took items back and there is a plethora of items that have been continually bought over and over again, especially paper products. The bins are not labeled for what group they belong to - (SUACNA, Entertainment, Executive)There are items in there that should not be in there, sugar, creamer etc... Proposed an organization effort, with a shared section for the surplus or items that are not gonna be used again. Creating an adhoc committee for this - Matt and Aubrey and Kodi volunteered to do this. Objective - go thru the bins on the left side of the unit and bring it to a shared location. Will need to purchase bins, and get them labeled - There are to be no perishable items in there. (Sugar attracts bugs)

Dave J - Last month the votes came back regarding the motions that were made for terms of service - Never got a reason why submitting a new motion for the same thing co-chair to go from 1 to 2 years. If an unforeseen circumstance happened to the chair and the co-chair had 1 year clean time the co-chair would not be able to take the chair position for lack of clean time. Some groups thought that it would be a deterrent from people wanting to be of service.

Jen J - Sent in a rack to Kanab receipt is in the secretary email, will give to treasurer

Adhoc

Assigned to: Matt H

The purpose of this ADHOC committee is to not waste NA funds and that we utilize our supplies for all events. This will ensure that we know what we have, use what we need and make sure we stay self supporting.

1. Take inventory of everything in storage.
2. Create a "SHARED SPACE" for all subcommittees to access paper products with inventory sheets updates as to who took what.
3. Remove the items that can bring bugs -the sugar and anything else can be used for the next meeting. CCGC is having a campout in August-maybe they would like some of the items.
4. Label bins of supplies and put inventory sheets on each bin so whoever needs to access them knows what is what. Organize the party supplies etc. to ensure these items are able to be used.
