Excused: Andy G, Layton E

Executive Reports

Chair - Lacey J

I am honored to serve as chair to this committee. I will appreciate your patience over these next few months as I get the hang of things. I went with our Treasurer to the bank on February 29th and I have been successfully added as a signer to all three bank accounts. As for the mail key and mail responsibilities, Crystal has offered to continue to check the mail for us. I went to southwest and signed the contract for this year. I now have a key to both buildings. If you are a committee or subcommittee chair and are meeting at a southwest building, please get with me or crystal so we can get the contract correctly updated. All new chairs will need a new key card and the old ones will need to be turned in. You can give them to Shannon or Crystal to return. I have recently reviewed the guidelines and we need to decide which committee or subcommittee the struggling meeting fund and struggling meeting guidelines belong to so that we can get them added to our ASC guidelines. I understand that currently the Web Servant position is open. Once this position is filled, I would like each subcommittee to check the NASU website and make

sure the guidelines listed for their committee are current. If they are not, please get with the web servant to get these updated. I would like to remind everyone that according to Article 14 of the ASC guidelines, any amendment made to the ASC guidelines will be voted on tri-annually in the months of April, August, and December. Keep in mind that they need time to go back to groups, so please get any appropriate motions made. Now that we have a new literature chair, I will be creating a new ad hoc committee to audit the Literature books in accordance with our guidelines. This will be discussed further in open forum. And last regarding the COVID 19 virus, I ask that everyone be careful and considerate when meeting at AREA and regular meetings. We don't need to freak out, we need to be mindful. If you are sick stay home, wash your hands, and sanitize tables and chairs after the meeting. I have brought wipes and hand sanitizer; I would appreciate some help wiping down after the meeting. If things get worse, we always have Zoom options. Thank you all for letting me serve.

Co Chair - Brandina V

I would like to thank everyone for allowing me to be of service and I'm happy to be here!

Secretary - Layton E

RCM Report - Jerry & Shannon

Good evening friends

First, our regional service committee meeting scheduled for tomorrow has been canceled due to the virus. I have been talking with regional delegates and two world board members about the upcoming World Service Conference in late April. So far, it is going to move forward. I do not see how this is possible when delegates from Europe cannot fly here due to the travel restrictions. Maybe they are going to teleconference those who cannot get here, or the board is waiting to make a decision until closer to the date. More will be revealed, and the RCM team will keep our area posted to any new developments through email and the NASU Facebook page.

I posted what NAWS is currently stating about the virus on our Facebook page and I attached the flyer to this report. The RCM's will continue to pass on any news and guidance about this topic from world to us when it becomes available. Of course, the RCM's do not know how every group feels about the virus, plus groups are protected by autonomy, so the RCM's will continue to post and email options for groups to hold meetings. One major movement right now is virtual meetings. Virtual meetings are a new platform for NA as a whole, so there have been questions about 7th tradition, anonymity, and autonomy. I have been in contact with several regional delegates and two world board members to answer these questions. Since each group is autonomous, the 7th tradition may be honored through PayPal, Venmo, or mail in methods. You may even come across a meeting that is free because their hosting cite is free. As for anonymity, most Zoom and Skype platforms will let you type any name you desire on the screen for others to see. After the meeting, most meetings will ask you to delete your search history and delete call records from your Skype or Zoom. There is a new virtual meeting called "Quarantined NA" every night at 7:00pm pacific standard time. I posted the Zoom address on the NASU Facebook page but here it is: <https://zoom.us/j/479545411>. Just copy and paste the address and put it in your address bar. Zoom may be new for some of us, so if you have any questions please call me 435-250-6040. I use Zoom a lot for school. Also, tomorrow there will be a training webinar about how to hold a Zoom meeting. It is co-hosted by Kentucky and South Africa fellowship development. Meet and greet is at 7:30am-8:00am, webinar begins at 8:00am. To attend the webinar go to : <https://zoom.us/j/2012572764> and the meeting ID is: 2012572764. All of this is posted on the NASU page.

Thank you for letting us help out
Patrick, Shannon, and Jerry

Entertainment - Crystal H

Hi all! I have scheduled a meeting this next Sunday the 22nd at 7:00 pm at the ALANO club directly after the meeting, I was going to have it this Sunday but decided to wait another week, I have been in contact with Region's entertainment committee about some events they wanted to include us in but for now I believe everything is on hold. I will have more for you next month.

Thank you!!

H&I - Andy G.

Hello ASC body,

I hope all is well. We had our business meeting yesterday 3/13/2020. H&I is thriving in our community thanks to all of our members. We had the pleasure of having Our regional vice chair sit in on our business meeting via speakerphone. She had some great info and ideas to help us serve better. We are planing on having a mock panel presentation by our regional H&I committee and H&I awareness event early May. This will be a great event and more details will be available at our next business meeting 4/10/2020

We still have panels leader positions that need to get filled (Lava Heights & Falcon Ridge) We finally was able to take a meeting back into Youth DT. Please show up to our next business meeting to find out more. Thank you all for your support.

Andy G

PR Report – Open

The PR Committee met on Wednesday, March 11, 2020. There were 6 addicts in attendance including our newest member, Zach E.

We ordered 1,050 meeting lists for March/April using the color canary yellow. Last month, we ran out of lists, therefore the committee decided to add a few more to the previous number ordered. The cost was \$263.64 and I will be submitting a motion for reimbursement of this amount.

The Kanab meetings needed an address change and we added a new meeting on Sunday nights at the USARA building "Lost Dreams Awakened" 7:30 - 8:45. I will also send these changes to The Regional Meeting List Coordinator.

The Crossover treatment Center located in Hillsdale contacted us about a presentation explaining the NA Program, as well as possibly having a meeting in the facility and one in the community. We have reached out to H&I about this request and will be hearing back shortly. I will also reach out to a contact this week for more details and to create some type of plan.

We are now operating under the Regional Phonenumber system and the transition has been successful thus far. 85% of calls were answered last month. This is at no cost to our Area.

Members have discussed having the PR meeting in Cedar every other month giving addicts in that area the opportunity to get active/involved. More will be revealed.

The committee will also be reviewing our guidelines, making changes where necessary. Upon completion, we will submit the finished product to the ASC.

Our budget last year was \$3700 and we spent about \$2400. This year the PR committee is asking for \$3000.

meeting lists	\$1600
literature	\$ 700
Misc.	\$ 700
	<hr/>
	\$3000

Members of the committee are also looking into other fairs/festivals that we can set up an NA info booth at. We already attend Recovery Day and Dixie U. Wellness Fair. This will fall under Misc. expenses.

Lastly, the website has been updated. Please contact the web servant if something needs to be addressed or if you would like new flyers on the site. There is an addict that may be interested in the web servant position. Shannon will be meeting with them to discuss responsibilities. Again, more will be revealed.

Thanks, Rosemary J. PR Chair

SUACNA 13 - Melissa V

Please excuse me tonight, I am unable to make it to join you guys at Area.

All going well with planning of our convention!

We have a Kickball Fundraiser coming up 4/5/20 at Unity Park in Ivins!!! We will be having a couple speakers from Las Vegas!!! It will be a blast! Please announce in meetings!!!

Main Speakers are picked. Programming is still finalizing their Workshop Speakers!!

All Sub Committees need support!

Thanks for allowing me to serve!!
Melissa V

Literature - Christian W

Report will come separate

CCGC - Susan R

Sat Nam Area! We had our business meeting this month and filled out positions! We went over our guidelines and decided we wanted to make some changes within our structure. We have plenty of positions that are always needing filled, however, not so many people willing to fill these positions. We would like to eliminate our treasurer position as well as the growth rep positions. We did vote on this as a group and I am just not sure what happens next. Also we have decided to change our business meeting to the 2nd Friday of the month at 7:00pm in the small room at the KKCB. Again there was a group conscience that was held for this. The traditions workshop was amazing! We definitely need to be having more events like this! For our next event CCGC would like to support the fundraiser event for SUACNA on April 5th. I will be asking for a print off our a verbal report of what we utilized last year from our budget and then bring a budget to our next business meeting to be voted on and then back here next month! Our next business meeting will be on 4/10/2020 at 7:00 pm! Thanks for allowing me to be of service!
