## **Entertainment - Josh B. -**

Hello all,

Sorry for not being at Area. We have nothing to report except the campout is coming up soon. We met on July 26th as a committee and went over details for campout. We are excited for the campout.

Thanks,

Josh B

## **H&I - Aaron V. - (last month)**

What's up Area Family!

There is a lot going on in H & I right now and it's not all good...

Starting with Purgatory, we have been in contact with Sergeant Redford and it doesn't look like we will be going back in there anytime soon. He wanted us to stay in contact with him for further news. He also thanked us for all we do to make Programming successful.

Youth DT has changed their requirements! Now, anyone interested in volunteering must go in and meet with the secretary, Natalie, in person. She will get copies of their Drivers License and social security card and give them paperwork to be filled out. Once the paperwork is filled out and turned back in to her, the volunteer will need to go get fingerprinted, at their expense, and bring them back to her. Fingerprints and paperwork is then sent up north to DCFS for approval. A volunteer cannot go in to youth DT until they are approved. We discussed this in length at our Business meeting and we have 4 people willing to do this.

As some of you may know, Red Rock Canyon School will be closing their doors within the next 30-60 days, so those meetings will end as well.

We no longer are going to the Detox center at their request. The only facility we will be going to is Falcon Ridge.

At our Business meeting we discussed starting meetings at some other facilities and will be in touch with PR about this.

Still in the planning stages of our H and I Awareness Event. We are thinking that it will be late September or October.

Thank you for allowing me to serve,  
Aaron V
