RCM Report -

Good evening everyone,

The marathon meetings over Thanksgiving and Christmas seemed to be an added benefit for our area. They were consistently attended from start to finish on both occasions and newcomers were present as well. The seventh tradition was collected for both days in the amount of \$75 and donated to the area.

The spiritual Principle a Day work group is still providing workshops for this project. The last work group was in December and our next one will be February. The time and location will be announced at a later date.

Texting: Members can sign up for texting for the latest information in our region by joining our text message service. Send text message to 855-237-9631 and type the word region51 into the message box (incoming and returned texts are not responded to) Website: WWW.REGION51NA.ORG. To put information on the regional calendar or to have a text sent out about an event.

The CAR report is out and a workshop for the CAR report was held last Saturday at the Southwest Center by our Regional Delegate. There was about 12-15 GSR's in attendance. If any home groups or members have any questions about the motions on the CAR, please ask Shannon, JR, or me, we will do our best to provide information to clarify any questions in order to make a conscious decision. We are also available to come to any homegroup meetings to clarify the CAR report. The assembly will be held at the East Flamingo Library in Las Vegas at 11:30 am pacific standard time April 18. For those that do not know, this is where you will give the votes from each motion in the CAR from your home group. Western States Zonal Forum will be

taking place January 23-26 in Las Vegas, Nevada at La Quinta by Windham Airport South. All are welcome attend and there will be a event Saturday night January 25th. But, even more cool, the forum will be here in St. George Thursday January 23rd, 6:00pm at The Room in the Square. Reginal Delegates from Alaska, Washington, Oregon, California, Arizona, New Mexico, Nevada, and two world board members will be here. It is a great opportunity to be exposed to this level of service and ask questions to further understand NA as a whole.

The Regional Service Committee meeting is next Sunday, and the RCM's will be in attendance.

Thanks for letting us help out

Shannon, Jerry, and JR

Entertainment - Josh B.

Hello all,

Area Entertainment had its last event of my service commitment, the New Years Eve game night. We had great attendance of somewhere around 100 addicts throughout the night. We had two amazing speakers, food, games, and lots of fun. We spent \$229.75 total for the event. So I will be giving back \$85.83 back to the treasurer that we did not spend. We got a donation of \$21.00 that I will also give to the treasurer.

As elections are coming up our Co-Chair Layton is willing to step up to chair and our committee agrees that he will be great at chair.

Thank you for trusting me to serve as chair this year. It has been a struggle at times but I'm very grateful that I was able to fulfill my commitment. I was able to learn a lot and have a lot of fun. Thank you to my amazing committee that stuck it out with me as the chair.

Josh B.

H&I - Aaron V. - Howdy Family

I'm not sure if I will make it to Area tonight. . Most of you know my mom has been having some health issues and if I need to be with her that's where I will be. So if you don't see me tonight please excuse me. We had our H and I Business Meeting last night, we had 15ish or so in attendance. It was great to see so much support! We are still working on getting a meeting into Lions Gate. We are waiting to hear back from Them. Nothing new since our last report on purgatory. We will be taking a meeting into Youth Detention. The process has changed quite a bit to get approved....we have two peeps doing that process now. We have a new facility....drum roll please....we now have a meeting at Lava Ridge, it is a female youth facility and we are excited!!! That meeting will start in February. The one guideline that is different for this facility is at least one of the people going in MUST be a female. If you are interested in being a part of the H and I Committee as a panel Leader or want to be a part of the meetings we take in, please contact myself or Andy G. Tyron H. Was elected as our Literature Chair and we are super excited to have him aboard. We will be holding H & I elections at our next meeting. Please note, we will be having our

meeting JANUARY 31st at 6:00pm at THE SOUTHWEST CENTER. All positions EXCEPT

Literature Chair are available. GSR's please announce in your meeting!

AS ALWAYS, WE NEED SUPPORT!!! We "normally" hold our Business Meeting the Friday

before Area.

Thank you for allowing me to serve,

Aaron V.

CCGC JERI

Hello ASC Peeps!

The hot chocolate bar/white elephant gift exchange went really well! There was about 15 who attended, 6 that stayed for the meeting, the 7th tradition was not observed. We took a vote and decided to purchase 4 pre-registrations for SUACNA. These will be raffled and or given away at various upcoming

events. Ill be putting in a motion for \$84.00 from our budget to be transferred into SUACNAS account. We will be hosting a traditions workshop on February 29th from 6-9 in the small room at the KKCB in Cedar City. We will provide pizza and water! This is gonna be an awesome event, so show up and participate in your recovery! At next months business meeting we will decide on a dollar amount needed for this event. On January 19th between 2-4 CCGC is hosting a bowling event. The cost is \$2.50/game and \$2.75 shoe rental. We are self supporting through our own contributions however, no addict will be turned away. There will be a meeting at this event! Ill be putting in a motion for \$30.00 from our budget for this event. I think thats all at this time! Thank you for allowing me to be of service!

AD Hoc Committee created for Storage Unit- John - Went to storage unit last week, it wasn't dirty but was a little messy. There were quite a few things that we don't need in there, stroller, tent, 2 camping chairs, 5 totes of spoons, forks, knives, plates, ect. we just need to get rid of it. I would like to set another time for the chairs to get together and sort through everything together. Shelving is still sitting there that we don't need or use. We also looked at shelving at the restore for \$5 each so that we can separate different committees.
