ASC Meeting October Treasurer's Report.

Hello All~

Below is the activity report for the General Ledger for October 2018.

Date	Description	Check#	Income	Debit	Balance
					11962.89
9/10/2018	PR Meeting Lists	1140		-139.58	
9/17/2018	area donations		315.68		
9/24/2018	H&I / Ent. aware	1142		-100	
9/24/2018	H&I / Ent. aware	1143		-100	
9/28/2018	bank interest		0.49		
				Ending Bal.	11938.99

Still hoping that we are able to come up with an Alt Treasurer soon. This is especially true since when I volunteered for this service position I was under the impression that the ASC would be meeting every 3rd month in Cedar City. I am the closing manager at my work every Saturday and we close at 6 PM, sometime later if there are still people in our store. I didn't feel, at the time, that this would be too much of an issue. However, since the ASC voted last month to change the Cedar City schedule to every other month I am sure that I won't be able to juggle coverage at work that frequently. We are really needing an ALT Treasurer now more than ever who is able attend those Cedar City meetings... or at least someone who could collect the Group donations and write and distribute checks at the meetings I am unable to attend. Hopefully there are some nominations tonight for that position.

As was requested last month by the ASC, I have compiled the Treasurer's Audit for our Area and that report is attached at the very bottom of this report along with more detailed information regarding the requested recommendations from the Treasurer regarding our finances moving forward. I have prepared and am handing out full version hard copies of that report to all GSRs and Subcommittee's for your review and also with the intent that this information can then be taken back by the GSRs to the groups for their Home Group reviews.

For the purposes of this portion of today's Treasurer's report I am submitting the following summary of those findings as bullet points as well as submitting a list of my recommendations which I will be presenting as Motions for everyone's consideration. Please know that this report will again be brought up in Open Forum so that anyone who wants to discuss this report further today will have an opportunity to do so.

SUMMARY OF THE TREASURER'S AUDIT:

The Report itself:

*Page one, top section, is the summary of our Area's General Ledger showing data from March of 2015 through August of 2018. August is the halfway point of our fiscal year so the data for 2018 is complete enough for everyone to be able to make their decisions using good numbers for 2018.

*Page 2 of the Audit Graph Docs shows our Area's Subcommittee financials for 2015 – 8/2018.

*Treasurer's Audit report. 2015- 8/2018. Pgs. 1-7.

Report findings summary:

* Ending Bank balance as of 8/30/2018: \$11962.89

*All of the funds currently in our Bank Balance could be basically considered monies we have retained year over year from SUACNA donations.

*Area spending has increased 100% since 2015 while income (using 2018 data) has increased by 30% overall. Area spending is increasing by an average of 32.5% per year while recent income is remaining relatively < flat YTD. That is why the donation from SUACNA for this year (2018) has already been spent. It has been used as the funds to make the donation we made to Region this year of \$1500.00, as well as make up for some of the income shortfall for 2018 expenses.

*These expense increases are mainly from increases in spending by Entertainment, PR and the Executive subcommittees and likely reflect the GOOD NEWS that our fellowship is growing.

*As can be seen on Page 1, Group 7th Tradition donations have been covering ALL Area expenses up until this year. This year, expenses have risen by 35 % while donations (so far) have remained < flat over last year and funds have been needed to be used from the larger bank balance in order to cover those expenses. This may indicate either a decrease in spending is needed or a need for additional fundraising events will be needed OR strong encouragements will need to be made on the Group levels to increase donations to the 7th tradition baskets.

*As can also be seen on Page 1, ALL donations that have been made to Region from our Area have NOT come from our 7th Tradition dollars but have all come from SUACNA donations. We have been donating to Region on average twice per year.

*Page 2 now shows that not all of the subcommittees have been using their allocated budgets every year while others have. If the income numbers continue to fail to keep up with Area expenses, then the methods for developing subcommittee budgets may have to change in order to actually match projected AREA income. This is, of course, UNLESS our Area intentionally begins to plan to subsidize 7th Tradition donations more regularly through targeted fundraising OR plan on SUACNA donations being retained as a constant fallback subsidy year over year or both.

Motions from the Treasurer: 10/12/2018

Disposition of our Area's current bank balance. Currently \$11938.99.

Motion: To create an 'Operating Reserve' of \$3000.00 for our Area. Intent: To provide a financial monthly bank account balance benchmark which represents approximately 4 months' worth of Area's averaged current expenses . This would provide all members of our Area a safe financial yardstick in order to assist them in being as comfortable as possible when making Area financial decisions.

Motion: To create a "Prudent Reserve" of \$1000.00 for our Area. Intent: To provide sequestered "Emergency Funds" in a separate savings account as a safeguard.

Motion: To earmark in a separate savings account \$6000.00 for the New NA **Building** Subcommittee. Intent: To plan for the possibility that this proposed project could possibly need 'start-up' assistance from the ASC.

Un-allocated Area bank balance remaining if these motions pass: \$1938.99.

Possible uses:

- * Increase the Area Operating Reserve to \$5000.00.
- * Make a donation to Region.
- * Increase the Area Operating Reserve to \$4000.00 and donate the balance to Region.
- * Create (2) Earmarked separate accounts for the funds previously added to the General Ledger balance for the monies received in 2016.

1.) \$1500.00 donation from Region made for PR.

2.) \$ 300.00 remaining from the 2016 Outreach Fundraiser.

Total deposit from the ASC is \$271.11 for October.

Thanks.

Steve

RCM

Good evening family,

Please excuse Jerry this month, he is attending a funeral in Salt Lake. Last month the RSC was held here in St George and the following topics were discussed:

- Open service positions: Vice Treasurer, Vice Secretary
- Consensus reached to donate 5000.00 to world.
- Women's Spiritual Breakfast: RD brought up concerns that the representative has not shown up to RSC for several months. Does not understand why WSB gets representation and a vote at Region when other events, such as Men's Spiritual Breakfast, do not. Also concerns that Women's Spiritual Breakfast was asked to bring a financial accounting of last event to next RSC (July) but has not been to an RSC since May. Discussion about whether or not Women's Spiritual Breakfast should be a voting member of RSC. Consensus: the event is excellent but Women's Spiritual Breakfast should not be a voting member of RSC. Proposal: Guidelines will be amended to say that Women's Spiritual Breakfast will be financially accountable to RSC as a non-voting member. Women's Spiritual Breakfast will come to RSC one time per year following the breakfast to give a financial reconciliation and make any donations but will not take part in any consensus-based decision making. Women's Spiritual Breakfast will not be required to come to each RSC. Valarie, as Vice Chair, will attend the Women's Spiritual Breakfast subcommittee meeting to bring up these issues.
- Our (RD) offered to have the RD team host IDT Workshop (Issue Discussion Topics) for the RCMs. There are 3 topics for each cycle. IDT Workshops are 90 minutes long. RCMs are interested, and RD team will plan a workshop and send out the information.
- Members, please go to NA.org to give input on new literature. The new literature is a daily meditation book.
- Men's spiritual breakfast will be held June 2, 2019 at Arizona Charlies 740 S. Decatur Blvd.
- FYI: our region would love SUACNA to host a fundraiser/awareness event in Las Vegas. Members of the RSC feel that a lot of members do not know about our fantastic convention!

Last month at our ASC there was discussion about the length of a prudent reserve. Region keeps a two-month operating budget that is incorporated within the balance. Attached to this report is the regional treasurer's spreadsheet as of August.

Thanks for letting us help out,
Lisa and Jerry

Entertainment - Jordan

Hello everyone

The H&I and Area Entertainment Awareness event was an absolute blast thank you to everyone who came. We spent \$55 of our \$100 so I have \$45 that I will give back to area. I am out playing softball so I will be late. We were going to hold off doing the campout but our committee is fired up so we are going to do our annual campout on November 3rd! We have all the details on the flyer. I will be motioning for \$200 for the event for food supplies ect. Our committee is alive and well with lots of support and amazing members we are really excited about our upcoming event and future events! Thank you all for allowing me to serve.

H&I [Josh B]

Hello all,

I am out of town with my wife and son so I apologize for not being there. The event we did was a big success and a lot of fun! The total we spent was \$58.36 for the event out of h&i budget. I will be giving back the remainder of \$41.64 back to the area treasurer. We had our business meeting Friday October 12. We discussed the problem we are still having with redrock youth facility which Andy g and I hope to take care of next week. We have an open position of Purgatory Men's panel leader. We had to vote the previous panel leader out. I have tried calling him 2 times on Friday October 12 to inform him and I will continue to call him until he and I speak. Until we find a new panel leader Aaron V will be taking over the position.

Thank you for letting me serve and for all that you all do!

PR Report - Leslie

PR Report

Please excuse Susan from the ASC this month.

Hello ASC! This past month there we were able to accomplish some great things. This sub committee has worked really hard, I am so grateful to have such a solid group to work with. Each member really does actively support and do their part to make PR happen. So, thank you to all of you!! We still have phone line coordinator and Outreach chair positions open. If you are interested in either one of these positions, please see me or anyone on the committee.

Phone Line: We had 16 phone calls this past month. Yes, 16! The volunteer for this month was Gigi. Things are going really well with the phone line. The transition is still taking place with our Region. I know they had a change in positions on the regional level, but things are still moving forward. If you would like to take the phone and help support this committee please contact Leslie or Gigi this month. We could use the help.

Web Servant: Meetings were updated both on the website, and the printed copy this past month. PR is asking those of you who are making changes, new meetings, or other odds and ends; we request that you have your GSR, or Chair person contact Shannon. I know there have been some new meetings, or changes. As a committee we request updates be done accordingly and when your group is ready for those new add ons, or changes. We feel to keep with continuity and flow of things that both the website and the hard copy of meeting lists be done simultaneously. Moving on, we are working on adding a link on our website for NAWs news, and newsletters.

Outreach: Outreach was contacted for support with tradition violations, and support from an area up north. They are having a learning days on October 27th. Outreach would really like to be able to get several members to support this event. Some of the PR members will be out of town, or have other commitments. If anyone is interesting or willing to go up and support their learning days so we can help raise awareness, and support their struggle with the mix message between both fellowships, please let me know. Additionally, the Outreach committee will be having a Just For Turkey Day event on November 22nd. This event will be by donations, a potluck turkey dinner with all the trimmings, marathon meetings, and fellowshipping in between meetings and food. A flyer will be made and sign ups will be set up soon.

Extra Info: PR was able to show up for Recovery Days and it was such a huge success. Because we had some Spanish literature, we were able to get more material out into the hands of the Spanish community. We were also able to make contact with some counselors who are very supportive, and grateful we had the material in Spanish. We will be placing more literature into the hands of the Spanish community via some of these new contacts with IPs, and Intro to the NA program, and the little white book. We were also able to get a Spanish poster into one of the offices. We also made contact with a woman from the reservation and will be heading there next week to take some materials and set up a meeting to discuss the NA program. Things are just moving forward beautifully. We will be purchasing literature from the ASC that include Basic Text, and some IPs; some of which will be in Spanish due to our new contacts.

Our next meetings will be:

Outreach: November 3rd @ Leslie's 2:00

Phone Line: November 3rd @ Leslie's 2:30

PR: November 7th @ Elev8 building 6:30

Thank you for giving me the opportunity to serve,

Leslie

SUACNA 12 - Jeremy J (co-chair)

Suacna Area Report Oct 13 2018 Hi everyone, I would like to thank all home groups for the vote to be the chair of SUACNA XII. I will do my best.

As is often the case it's less about me and more to do with an awesome committee and believe me when I say, **we have an awesome committee.**

The first thing I'd like to put out there to the GSR's to take back to their home groups and announce is that we need support as always. Currently we have open chair positions for Hotels & Hospitality, Registration, & Arts and Graphics..however; all the sub-committees have open positions and need support. The more the better! Please, please, please announce!!!

SUACNA's bank balance as of 10/13/2018 is \$ 5455.55

Our next business meeting is at the Southwest Center on November 4th 2018 at 9:00 am

Literature brought in Cash tonight \$494.00

CCGC Jeri

Greetings!

Our campfire meeting on Sept 15th was awesome! We had about 35 in attendance and collected \$17.01, which will be donated to Area tonight.

October 6th we had a campfire meeting scheduled, unfortunately it got cancelled due to rain.

I am proud to announce that we no longer have any open positions for CCGC! Rayce B was nominated and voted in to fill the secretary position!!!

Our next event is scheduled for

November 13th at the Fiddlers Fun Center. We are having a Recovery Movie night... We will announce the movie and time when we are able to get that information, closer to the date. Not a free event however, no addict will be turned away. It will cost \$1 for the movie and all concessions are \$1.

After the movie we will head to KKCB for coffee and meeting! I will be putting in a motion to request \$30 for this event.

That's enough outta me!

Thank you for allowing me to be of service!

There was questions about the treasurer report about operation budget and prudent reserve. Also a question about the PR budget for the treasurer. Operating budget is what operates NASU and Prudent reserve is monies put away for emergency funds. The prudent reserve will be in a savings account. Only to dip in when our operating budget is depleted. The operating budget is a continuous flow of money coming in and out. The treasurer's budget findings for each sub-committee was explained again. Discussed the area campout monies (\$200.00) needed, they are doing one dinner and one breakfast and hot cocoa. Discussed purchasing firewood. The flyer will be attached to the minutes. The schedule for the next few NASU ASC's business meetings, plans are to do the next two (November and December) will be in Cedar and (January and February) will be in St. George for nominations and elections and back up in Cedar in March. Review questions on his report, spent about 25 hours on this report, all forms are on Google Docs. The purpose of this audit was because there was questions about the amount of money we have in the account. Discussed each motion that Steve place, the one that was removed was the earmark money for \$6,000 because this is actually the subcommittee's motion to make not the treasurer. The reason why is this is basically creating a budget for them and it would be better if they came up with this budget. ASC do not have a prudent reserve thus why Steve is making this motion. Then there was a discussion about separating the operating, prudent, and area 7th tradition. It was determined to just see what these motions come back as before we decide how to report the monies we have for prudent, operating, and 7th tradition.
