Chair - Lacey J

Hello Family!

I want to thank you all for being here. Never in the history of Narcotics Anonymous has any addict ever experienced anything like what we have experienced this past month. There has been so much change and so much unknown. This change has not been easy. I think we all want things to go back to the way they were. We miss meeting in person, and we miss each other. Despite all the challenges we have had to face, I have never been as proud to be an addict as I have been over this last month. I have witnessed the addicts in this Fellowship come together and do everything possible to make sure that recovery was not canceled. I'm so proud to be of service with all of you. You truly are amazing people and I'm so grateful for everyone one of you. We are going to get through this together as a family. If you are struggling, please reach out. I hope that we continue to support one another and remain united. Remember we are all

facing the same dilemma. Honesty open-mindedness and willingness will get us through this. For this meeting please make sure you are able to raise your hand virtually and also locate the chat box. If need assistance at any time during this meeting, please don't hesitate to ask. Thank you for letting me be of service,

Love,
Lacey J

Co Chair - Brandina V

I love everybody, thanks for showing up. I'm here for you!

Secretary - Layton E

Hello ASC,

I am so excited to have the opportunity to serve in this capacity for the next year. Please excuse my absence last month! I just want to take a moment and tell you all how amazing it has been, to watch the fellowship come together and "roll with the punches" of this pandemic. The unity and adaptability has been very moving and super humbling. I just want to tell everyone that this will be like a jail visit... everything stops and it feels like forever then suddenly you are walking out the door looking for a cigarette and smoking again like nothing ever happened. Although the world will never be exactly the same, life will get back to normal and everything will be okay.

If you have not been receiving my email updates, it means you're not on the list. Rather than creating a list every month for email minute distribution I will have a running list. When you want to be removed, let me know, and I will remove you from it.

I will be forwarding the Region 51 CAR motion survey with the minutes this month. GSRs, These have to be done before Apr 18th. I'm also including a link here:

If your meeting still needs help switching to Zoom please reach out! Can't wait to hug you all again!

TREASURER'S REPORT

Good evening ASC! Hope this report finds everyone healthy and well! I'm sure this is weird for everyone else too! We have opened a Venmo account called Virtual Basket. We've had some deposits from individuals paying 7th traditions as well as some groups. THANK YOU TO THOSE THAT DONATED!!! WE APPRECIATE THAT! With us all being locked down as members of Narcotics Anonymous, hopefully our expenses will stay low... our bank account keeps dwindling down... Because of the current situation, I have not been able to meet up with the tax preparers however, also due to the current situation, the tax deadline has been extended into June. As always, we appreciate the opportunity to serve! Thanks!

RCM Report - Jerry & Shannon

Hello ASC

I hope you and your families are well and safe. The Regional Service Committee had a emergency business on March 18. During this meeting, the committee discussed finances and the seventh Tradition. I would like to try and get a consensus on the following points during open forum:

1. Place a statement on the Region 51 website regarding the importance of the 7th Tradition, even when homegroups are meeting virtually.
2. Ask if there is consensus to place a button on the site for areas/members to make 7th Tradition donations electronically. These donations can be taken through Venmo, Zelle, or Paypal and can be deposited directly into the regional bank account. This ability to take electronic donations can be temporary and we can visit it in 90 days, if the areas would want that.

3. Ask areas if they would like to set up their own pay site (Venmo, Zelle, etc) that can also be placed on the regional website.

Secondly, our Regional Delegate sent Layton a CAR survey for all groups who participated in the CAR voting process. Layton has emailed you that survey. Please fill it out within the next four days and email Tina at tinanahm@gmail.com.

The General Assembly is still taking place Saturday April 18, 11:30am-3:30pm. Zoom meeting ID: 999-531-048. Please all GSR's representing groups that participated in the CAR process, show up. Attached to this report is the flyer. If there are any questions, please ask during open forum.

Thanks for letting us serve
Shannon, Patrick, and Jerry

Entertainment - Crystal H

I have not done anything with area entertainment, I was waiting until the zombie apocalypse ended, however, it seems as if it will last forever!!! I will do a Zoom meeting this next month and see what people are thinking. I appreciate how amazing you guys have all been with getting Zoom meetings set up and stuff!!

H&I - Andy G.

Hello Everyone,

We held our H&I business meeting yesterday April 10. We had several in attendance. Including our regional H&I co-chair. She has help me through this process of being chair for our H&I body. I attended our regional PR/H&I zonal form on zoom last weekend and our region H&I business meeting last Saturday. I got a chance to hear how other H&I committees have been working through these times. It is amazing the passion we all hold for this fellowship. We have discussed possibly purchasing cheap tablets to take into a couple of the facilities. And did decide on reaching out to all the facilities about doing their own zoom panel meeting. So we are working on keeping the momentum going. We will be motioning for \$16.01 for the zoom membership reimbursement to Andy G for this months zoom membership. And we will be motioning for \$51.60 for literature. Thank you for allowing me to be of service.

PR Report – Rosemary J

MEETING LISTS...

Meeting lists were given to the group at our March Area Service Meeting, however they were not distributed to the places we usually go to.

Because of this many meeting lists left over. Once we are back to attending physical meetings, the committee will try to recycle them.

The May/June meeting lists will be determined by our access to the public and the return to physical meetings

LITERATURE...

There has been no change in our literature material. We have an adequate inventory on hand.

WEB SERVANT...

The website is continuously being updated so that our fellowship , as well as the public have access to meeting information . Of course if there are any changes within a group please contact Shannon our Web Servant so updated can be made.

PHONELINE...

Phone line volunteers are getting use to our new system and it can only get better!
I really want to thank the members of the PR Committee for all that they have done and will continue to do.

And, thanks Layton for helping us with the web site stuff... 🍷🍷

Next Meeting

Our next PR meeting will be a zoom meeting on 4/29/2020 Wed. 6pm

SUACNA 13 - Melissa V

Good Evening!

I'm still getting used to this whole Zoom stuff so bare with me. Sure miss seeing you guys in person!

We had our SUACNA 13 Business Meeting last weekend via Zoom. Sad to announce that the Committee voted to postpone SUACNA 13 with everything going on in the world. We had a lot of discussion on what to do and when t do it and decided that for now we postpone the convention. Some wanted to set a new date while others thought it would be best to wait until June 2021. It's pretty hard to set a new date when there is no end in sight for COVID-19. We think that even if things are to be better in a couple of months, people are probably not going to be too eager to attend large gatherings for a while. Some of the Companies that we use for shirts, swag etc are closed and we have no time frame on when they will reopen and how long it will take for them to process orders. Also. By postponing it for a a few months it could possibly interfere with the planning for SUACNA 14.

The Entertainment and Fundraising Committee is planning for its next event, when we are cleared to gather again. Listen for the announcements! I know I will be so ready for a kick ass event!!
Programming is keeping our speakers and Taper up to date with the happenings as well.
The hotel is down to the bare minimum of staff but so far we are good with them as far as changing dates. Also, when thinking of postponing the Convention we need to look into the increase of costs the hotel possibly has for different times of the year.

Our next SUACNA 13 Business meeting is set for 5/3/2020 and the Duub Committee Chairs will bri g their ideas and possible new dates for SUACNA 13.

Thanks for allowing me to serve!!

Literature Ad-Hoc

Hello friends, we as the adhoc committee have done our best to fulfill what we believe to be our purpose. With what information we had, it is our belief that we needed to take a current inventory of all the literature. With the help of Christian and Cassie, This is what we have,
