Good evening ASC! Not much to report on, pretty slow month as far as finances were concerned!! The area donations were not deposited until the 22nd of October. Area was on Saturday the 12th, Monday the 14th, was a holiday (Columbus Day) so, the banks were closed. The evening of Monday the 14th, our family life was lighted to SLC Primary Children's Hospital our little girl was in acute kidney failure. :(The deposit slip was already filled out and ready to be deposited so, I contacted Lacey and had her pick it up from our house and take it to the bank. Just wanted to clarify why the deposit was not done in a timely manner. Thanks Lacey! Now, here's the numbers! Thank you for your patience and understanding! Thank you for allowing us to serve.

RCM Report

Nov. '19

Good evening everyone

Tomorrow Nov 10, 2019 11:00am, at the Southwest Center, there will a workshop to work on the new Spiritual Principle a Day book. If you never participated in the creation of new literature for our fellowship, this is a great opportunity and will bring much joy and satisfaction to your recovery.

The Conference Agenda Report (CAR) will be available Nov 26, 2019 and the RCM's will have them to give each GSR at the December ASC. Workshops to give understanding and clarification of the CAR will take place in the coming year by our RD team and RCM team, so stay tuned.

Our PR committee will be hosting marathon meetings for Thanksgiving. First meeting will be held at 1:00pm and the last meeting will be at 9:00pm. Dinner will be served between 3:00pm-4:00pm. Please announce in your meetings that if no one has a place to go for the holiday, they are welcome to hang out at the Southwest Center from 1:00pm-10:00pm Thanksgiving.

Western States Zonal Forum will be January 23-26 at La Quinta by Windham - Airport South. They are also planning a fellowship wide event for Saturday night. And just to be clear, the zonal forum is open to all interested members the entire time. There will be a peanut gallery area where members can observe and a time for their participation. This is another opportunity of our area to see how another level of service operates!!

We have a work group in our zone called "fellowship development in rural areas". That work group has asked me to propose two questions to all of you:

1. Do you have underserved rural communities within your region?
2. What support could the Zonal forum provide that would help your efforts and fellowship development in these rural communities?

The regional service committee meeting is next week, so the RCM team will have more to report in December.

Thank you for letting us help out
Jerry, Shannon, and JR

Entertainment - Josh B. -Hello all,

Area Entertainment had an awesome Halloween event. We had about 80 in attendance throughout the night. We had a great speaker and a lot of fun. We spent \$190.05 total on the event. So we have a remainder of \$59.94 that I'll return tonight to be put back into our budget. We collected 7th tradition of \$55.61 that I'm turning in tonight as well. We met as a committee last night to go over our scheduled events. We had planned tentatively back when the committee was formed to do an event on December 7th and one on New Year's Eve. We have decided that we are only doing the event on New Year's Eve. I will be requesting money from our budget tonight once I know the total we have left in it. I will also be reaching out to PR to see if they are doing marathon meetings. We will not be doing marathon meetings but would like to work together with them how we can.

Thank you,

Josh B

H&I - Aaron V. - Chair Report.

Afternoon H&I Family,

> Flying High with H&I awareness event was a huge success. Thank you to all involved. I was out at the Jail this week for work and I found out there is a new program director and I have his contact info. I'll be getting in touch with him. Our lit chair is no longer serving and another member has the literature and is delivering it to us. I will be giving my report to my co chair being as I will not be able to attend Area

> Open positions are

> Literature Chair

> Thank you for allowing me to serve

PR Report - Susan: Hello my Beautiful People! I apologize for my absence. We met on Wednesday and want to give a big welcome to our new secretary Jesse T. We still have an open position for a Co-Chair. The Regional phone line is live and

active! We don't think it will get a lot of action because we are keeping our old phone on until the end of the year. If you have questions regarding this feel free to reach out to Jerry C. Also remember our Thanksgiving Day pot luck. It is from 1-9 at the SWC. Our next business meeting will be on Wednesday, December 11th, 6 pm at the Elev8 building in St.George. Thanks for allowing me to be of service!

SUACNA 13 - Hello There!

Please excuse me tonight, we have some fam bam in town.

Things are moving along in SUACNA!

Aaron and I made a trip storage, to get familiar with what's there. Merch and Registration got there "stuff" from there.

FIRST SUACNA FUNDRAISER coming up!!! November 24th. MARK THE DATE! Flyers will be out soon! When it's out, please announce it like crazy!!

We have filled all positions except Co Secretary. One year clean time! Plz announce this too!

\$467.38 brought in. Adding a spot for questions on form. USE THE FORM!!

CCGC - Happy November ASC!

Not much to report! The bonfire meeting on Oct 29th was flipping COLD! 4 Brave souls came out! We observed the 7th tradition and collected \$4! At our business meeting on the 4th, we had a member ask about having/hosting a 12 tradition workshop in Cedar. I suggested that we table the idea until next month, so we can obtain more information. Ill be bringing this up in open forum. As for a Nov event, it was decided that CCGC will not be hosting an event. Instead, were individually, not as a member of NA or CCGC, going to support the community Thanksgiving event at the KKCB. Thats it for now! Thank you for allowing me to be of service!

RECOVERY HALL COMMITTEE: Good Evening ASC Members,

Apologies for the length of time since our last report. We, as a committee, have made a decision to put the meeting hall search on hold for the time being. It has been difficult in the recent increase in cost for commercial space to find a location that will be sustainable for our fellowship.

We trust that should another opportunity arise that the conversation can be had concerning the need for a building for our growing fellowship. We have tried to stay in line with a HP's guidance, and at this time it feels more forced than staying in line with the HP's will. So, at this time we are going to close this project, and this will be the final report of the recovery hall committee.

Thank you all for your love and support,

Recovery Hall Committee
