Executive Reports

CHAIR - Lacey J

Hello family. It's been a quiet month on my end. I'm very excited that we have had an addict reach out who wants some assistance getting a meeting started in Salina. I have contacted her myself and I know our RCM Shannon has reached out to her as well. I hope she will be joining us today so we can welcome her and assist her further. I would just like to remind everyone to please follow the guidelines that are in place regarding social distancing. It is very important that we keep ourselves safe as well as each other, and also important that we do not violate our traditions.

Thanks for letting me serve.

Love, Lacey

CO CHAIR - Brandina V

I want everyone to know I love ya and I'm here for ya.

SECRETARY - Layton E

Good Evening ASC,

I can only thank those that sent their reports in earlier today because it made my life easier and that is really cool of you. If you have motions or open forum items please send them to me in chat or email.

Good evening ASC! Not much to report. On 6/19/20 I deposited \$631.00 into the bank account from Venmo. On the 23rd Rosemary cashed her check for \$63.51 and we gained \$.21 in interest!

We've updated the Zoom account to the Areas bank card. We got the papers to the CPA, and were waiting to hear back, I anticipate to hear back from him on Monday. I will wait until the 13th to do another Venmo Deposit for whatever we collect from Area. Entertainment and CCGC have yet to ask for a budget for this year...

Thank you for allowing us to be of service.

RCM Report - Jerry & Shannon

Hello ASC,

There's not much to report from Region, as we meet every two months and our meeting will be held next weekend. However, Region will be holding Elections/Nominations. So, if you would like a position on Region, be there or be square, or just come and check it out! We will be attending via Zoom, ALL are welcome to attend, here is the info and the flyer is attached to this report:

Sunday, July 19 th @12 NOON (Utah Time)

Meeting ID: 844 7417 5117

Password: Region51

*Regions budget-to-actual report is also attached to my report for all to view.

As for NA World Service (NAWS), I stumbled upon a really cool page on na.org which contains all of our IP's, Booklets, and Group Readings available to download for free. Here is the link: <https://www.na.org/?ID=ips-eng-index>

I am also including the latest issue of NAWS News, there are some great resources for being of service and to get involved in the projects going on in our fellowship. These are things we can do right now, even in or current situation. *See the heading "What can I do". This issue also contains information on what NAWS is doing during the pandemic and the number of meetings weekly going on around the world, it's not many but we are still alive and hanging in.

Thank you for allowing me to serve,
Shannon C.

This committee met on July 9, 2020

There were 6 people in attendance

In our old business we discussed the Crossover facility. I did speak with the clinical director and we decided that she would come up with 3 dates for the purpose of having a zoom meeting that would include : information about our fellowship, day and time of H&I meeting , their expectations and our expectations . She has not returned my call as yet. I will touch base with her again.

Getting bids for a digital billboard is still in progress.

SUACNA 13 - Melissa V

Hi Area Family!!

Super sorry I missed the Area Business meeting last month!!! All going on the world has been getting to me emotionally and honestly I completely forgot!

SUACNA 13 is throwing a swimming/fundraiser!! The name of the event is "Swimming Through Covid"! This event is 9/5/2020 at the St George Swimming Pool. We will have the pool to ourselves, food and speakers!!! We will charge \$2.00 to get in and our Fundraising committee is working on a fun activity that they will host!! We are super excited to be getting our fellowship together and just have some FUN!! The flyer will be out soon!!

Thank you for allowing me to serve!
Melissa V.

CCGC - Susan R

Nobody showed up to the business meeting last night and only one member showed up the month before. I am personally not comfortable with holding business by myself.

Brandina and I are coming up with a plan for a movie night event at Brandina's house & a campfire meeting on August 22nd.

Need support and help getting members involved. Will start announcing and do a budget.

LITERATURE - Christian W

Hello Family,

It's been a good month for literature. Brought in \$318.00 which was deposited this afternoon. People have been reaching out to me for their orders and usually we are able to meet up in a timely fashion. Doing my best to keep up with any orders that come in but will also continue to get more proficient on my end. I got 2 separate orders for 10 books of guiding principles that the order has yet to be delivered for me but it is on it's way. Other than that it's mostly been odds and ends that I have been feeling but it has been a bit more consistent which is nice.

Thank you for letting me be of service.

Best Regards,

Christian W
